ENJOY THE EXPERIENCE

Ease, pleasure and style.

That is what the MAAX brand represents to the people who enjoy our bath products' trendsetting designs, innovative features and lasting quality in their homes.

That is also what MAAX means to you – the builders and developers, the plumbers and the contractors, the showroom owners and interior designers.

MAAX offers more than an extensive and award-winning line of bathtubs, showers and shower doors that fill desires from the most simple to the simply luxurious. MAAX gives you the best-in-class service, support and systems you need to make your job easier and your time more productive.

That is why we say when you choose MAAX, you will "Enjoy the Experience."

"Enjoy the Experience" means MAAX puts everything we have, every consideration, into ensuring you not only enjoy the therapeutic and functional benefits our products provide but also the entire experience, from product selection to ordering to delivery to installation.

MAAX is strong yet flexible.

We start with more than 40 years of experience that has taught us that making business better for our customers makes all of us succeed.

Our 8 manufacturing plants and an expansive showroom and distribution network – the largest in the industry in North America – gives us the production and logistical capability to meet needs coast-to-coast and according to your schedule. Our state-of-the-art facilities utilize world-class operational systems with leading robotic and electronic technology that ensures consistent quality and cost-effectiveness, benefits that we seamlessly pass on to you.

MAAX simplifies your work.

So many households enjoy MAAX's wide range of distinctive bath products not just because of their quality but because we make the job of selling, ordering and servicing easier for you.

Our dedicated customer training team offers world-class programs at our facilities and yours to educate you on our latest products, innovations and marketing techniques. We provide tools, printed and digital, that make our products' benefits clear and maintain a dedicated sales force of 300+ people that serve your needs. Three North American-based customer care centers ensure you always receive the inside and after sales support you need with best-in-industry response times and service.

MAAX improves continually.

Just as consumers' tastes change, so do your businesses' needs. That is why MAAX never stops listening.

We seek and gather your input regularly then propose and act on ideas aimed at helping us better tailor products and programs to each of our customer segments. Our ongoing research and customer satisfaction surveying inspires us to regularly develop new ways to enhance every aspect of our business for you.

MAAX innovates constantly.

Staying ahead of the curve is almost second nature to us.

MAAX has two research and development centers in North America tasked with furthering our industry lead in product design, whether the desired effect is strength, simplicity or sophistication. To date, MAAX has more than 80 innovation patents that have not only made our products more pleasurable for consumers, but easier and less costly for you to stock, delivery and install.

By choosing MAAX, you get more than a superior bath product. You get an experience.

An experience we know you will enjoy.

HOW TO USE THIS BOOK

The MAAX Shower Doors price list is here to help you understand our products and easily order them. Inside, you will find information on models, pricing, reference guides, summary tables, warranties and handy customer care forms. In order to help you navigate through the price list, follow these guidelines on how to use this book to its full potential.

Do not hesitate to contact your MAAX representative or Customer Care agent if you have any questions.

We are dedicated to providing you with the best tools possible.

SHOWER DOORS

Because installation type is most important in choosing a shower door, this section is listed by installation type, then in order of shape/type.

Alcove doors for:

- Showers -3 panels
- Tub showers -2 panels
- Tubs -1 panel

Corner doors for:

- Round showers
- Neo-round showers
- Neo-angle showers
- Square and rectangular showers

TIP: There is a **Reference Guide** at the beginning of the shower doors section for you to easily identify the product that works for you by installation type, shape, opening, finish and panel finish.

PRICE LIST CODES: WHAT DO THEY MEAN?

No	Door Opening	Glass Pattern
105420-900-084	Left and right	Clear tempered glass
Radius: N/A Width: minimum: 24 1/2 in. (622 mm) maximum: 26 1/2 in. (673 mm) Standard Height: 67 in. (1702 mm) Access: N/A Door Opening: Left and right Adjustment: for out-of-square walls		

HOW TO USE THIS BOOK

DIMENSIONS

Structure measurements must be verified against the unit to ensure proper fit. When recommending a door on our fiberglass units, acrylic units or on ceramic installations, wall thickness is measured based on the following information:

Door opening dimensions will differ for ceramic or acrylic walls. The door opening dimensions should be calculated as following: stud to stud measurements minus the thickness of each wall (1 1/2 in. per acrylic wall or a minimum of 3/4 in. per ceramic wall).

Please note that the thickness of a ceramic wall may vary depending on the following components: gypsum board thickness (1/2 in. to 5/8 in.), cement thickness (1/8 in. to 1/4 in.), ceramic thickness (1/8 in. to 5/16 in.). We cannot guarantee that our recommended doors will fit on every ceramic installation. We recommend you discuss your door selection with the contractor prior to the renovation.

RESOURCES

Product Summary Table

There is a summary table at the beginning of the door section. This easy-to-use table displays product features with just a glance to quickly help you choose the door that best suits your needs.

Warranty

For any questions regarding MAAX warranties, simply flip to the back of this book for all detailed warranty information.

Tub & Shower Door Systems

TYPES OF OPENING

Whether you choose a sliding or pivot door, all models boast a wide opening for easy access to the shower or tub shower.

 1-Panel Slider Lateral Opening	 2-Panel Slider Central Opening	 2-Panel Pivot Central Opening	 1-Panel Pivot Right or Left-Hand Opening*	 1-Panel Pivot Right or Left-Hand Opening*	 2-Panel Slider Central Opening
 2-Panel Slider Central Opening	 3-Panel Slider Lateral Opening	 2-Panel Slider Lateral Opening	 2-Panel Pivot Central Opening	 1-Panel Pivot Right or Left-Hand Opening*	 1-Panel Pivot Right or Left-Hand Opening*
 3 Folding Panels Lateral Opening	 1-Panel Pivot Right or Left-Hand Opening*	* Side of opening is determined by location of the hinges: LEFT HANDLE / RIGHT HINGE = RIGHT OPENING RIGHT HANDLE / LEFT HINGE = LEFT OPENING			

DOOR MEASUREMENTS

The following measurements are required to determine the door size.

Note that a small door adjustment allows for minor variation in the width measurements. See product page for door adjustment.

With the door type and measurements in hand, select the door that fits the intended area.

Alcove Door

- Use the largest width measurement (A, B or C) to select door model size.

Example: A=31 in., B=31 1/2 in., C=31 1/4 in. requires a 31 1/2 in. door.

Note: If there is no model in the required size, select the next higher range or width.

- Select door(s) with sizes equal to or less than the height measurement (D).

Corner Door

- Use the wall measurement (A) to select door model size.

Example: A = 32 in. requires a 32 x 32 door.

Note: For neo-round and neo-angle doors, use the side panel measurement (B) to check if the selected door fits the base.

- Select door(s) with sizes equal to or less than the height measurement (C).

NEO-ANGLE

ALCOVE SHOWER

ALCOVE TUB

NEO-ROUND

SQUARE

A B C Width from wall to wall

D Height of the wall from the top of the base to the top of the wall

Note: It is normal for the door to be smaller than the base as the door is positioned at the center of the threshold. A small door adjustment allows for minor variation in width measurements.

A Length along the wall from finished wall to the end of the threshold

B Neo-round: Width along the exterior of the threshold from finished wall to the first corner of the base

Neo-angle and Square: Width along the exterior of the threshold from finished wall to the end of the straight line

C Height of the wall from the top of the base to the top of the wall.

PERFECT FIT

We offer lateral adjustment systems to ensure the door you select will fit your shower or tub shower opening as best as possible. Whether it is in the wall jambs or in the hinges, adjustment should compensate for out of plumb walls so you will have a worry-free installation experience. MAAX doors can be installed on most of our acrylic and fiberglass products as well as ceramic walls and bases.

WATERTIGHT SEAL

MAAX shower doors are equipped with a number of parts and systems to ensure the optimal watertight performance of your shower door! No effort has been spared to ensure that your shower door is completely watertight: from the multiple seals between the panels or on wall jambs to the single and double deflectors at the bottom of the door and the angled shower threshold that also redirects the water to the inside of the shower. A door's seal also depends on the type of latch used in sliding or pivot doors. Various magnetic strips with flat, angled or interlocking magnets provide shower panels with a watertight seal for a completely leakproof tub or tub shower.

ENJOYMENT WITHOUT THE WORRY

A simple, well-designed shower door makes it easy to enjoy a well-deserved bath or shower without the worry. The ball bearing roller system, Sure-Glide track system, and bottom door guides make operating your shower panels a snap. Plus, they are easy to clean and minimize deposits and soap residue between panels.

The **Sure-Glide** system is offered on a selection of 2 and 3-panel doors. While suspending the door and keeping it away from the accumulation of water residue that can build in the bottom track, this unique feature makes the door easy to clean.

MAAX designs doors easy to clean.

The rollers are designed to be removed easily, which makes it simple to clean. On the alcove sliding doors, the **EZ Kleen® track system** is offered. The bottom track is designed to avoid water and residue accumulation, making it easy to clean.

FRAMELESS LOOK VS FRAMED

Frameless

Our frameless shower doors feature the beauty of your glass door rather than the metal framing. A clean modern look which gives your bath area a spacious feel.

Framed

Our aluminum framed doors offer stability, security and function.

Triple Plus 3-panel

- 3-panel framed sliding door for tub and tub shower
- Bottom guide rail to hold the panels and provide smooth and quiet opening
- Additional lateral jamb seal assures watertight closing
- Sure-Glide bottom track prevents residue build-up for ease of cleaning
- 3 panel door offers a wider opening (2/3 of wall opening)

Terms, Conditions and Warranties

Price

Orders are accepted subject to prices in effect at the time of shipment of this price list and prices are subject to change without notice. The published pricing schedule shows suggested list prices and is subject to a trade discount as determined by MAAX Bath Inc. (hereafter "MAAX"). Orders will be invoiced at the price in effect at the time the orders are placed. Selling prices may be readjusted without notice during the year, for instance if transportation costs increase due to fuel surcharges.

Conditions of acceptance

The acceptance, shipment or delivery of any order is conditional upon approval of MAAX's credit department and upon these sales terms and conditions applying to the order and not any others, unless specifically agreed to in writing by MAAX. MAAX reserves the right to require satisfactory security for performance of the purchaser obligations prior to making shipment on any order. Any sold merchandise remains the property of MAAX until full payment is received, in accordance with applicable laws, such as the Uniform Commercial Code — Sales in the United States.

Terms of payment

General payment terms are net 30 days. A rate of 2% monthly (26.82% per annum, compounded monthly) will apply on overdue accounts. No goods will be delivered to customers not complying with our sales and payment conditions.

Taxes

All prices published are exclusive of applicable taxes.

Lost merchandise

If, upon receipt, the recipient notices that certain products are missing, he must immediately notify our customer service department. The recipient must then indicate which products are missing on the delivery slip and countersign it. The enclosed bill of lading allows you to verify shipped and received merchandise.

Shipping damage

Damage occurring in transit is the responsibility of the carrier. MAAX will not be held responsible for shipping damage. The product should be carefully examined by the user or installer at time of receipt to ensure it is damage free. If any damage is discovered, it should be noted on the freight bill, and a claim should be filed against the carrier as soon as possible. Inspection of the unit prior to installation is the responsibility of the installer or building contractor who acts on behalf of the user, or the user himself. They are responsible for ensuring that the unit is free of defect or damage. In the event of a problem, the unit must not be installed. MAAX is not responsible for failures, costs, damages or claims that could have been discovered, repaired or avoided by proper inspection and testing prior to installation.

Return Policy

MAAX provides a selective and conditional merchandise return program. Product may be returned to MAAX under the following conditions:

- Product is in original, new condition – not previously installed or used as display;
- Product has been in the customer's possession for less than 6 months;
- Product is still available in the most current price list (not discontinued) or has not been announced for discontinuation;
- Product is in a standard color or finish, as indicated in the most current price list;
- Any stock product may be returned. To know if a product is a stock unit, please contact the customer care department; and
- Product was received in error, does not represent what the customer ordered or has a manufacturing defect.

Products are not eligible for return to MAAX under the following conditions:

- Product has been previously installed, drilled, permanently marked, spray painted, or in any other way altered from its original condition; Product is "weathered"; degraded due to storage outside or exposure to the elements resulting in discoloration;
- Product is defective due to negligent storage; or
- Product is equipped with any accessories or options.

Prior to returning merchandise a MAAX customer must complete and submit the RGA Request Form supplying general and specific information about the unit(s) for return. MAAX must then authorize and approve the return in writing by issuing an RGA number.

All products are subject to inspection prior to credit reimbursement, and MAAX reserves its right to reduce such reimbursement as follows:

- MAAX will apply a 25% restocking fee against the reimbursement credit for all returns for any reason other than manufacturing defect or MAAX error.
- A repair cost will be applied against the credit reimbursement for any repair required to bring a product back to 100% resalable condition. In these circumstances the customer will be notified.
- Any unit returned via common carrier must have the freight prepaid by the customer.
- For any product returned that does not qualify for return as specified above or does not match the RGA form, MAAX will charge a \$25 per unit handling fee. MAAX will notify customers in such instances and the customer will be requested to either take the unit back with freight prepaid and charged or notify MAAX in writing of their desire that it be scrapped.

Door Return policy

MAAX provides a selective and conditional merchandise return program. Product may be returned to MAAX under the following conditions:

- Product is in original, new condition – not previously installed or used as display;
- Product has been in the customer's possession for less than 12 months;
- Product is still available in the most current price list (not discontinued) or has not been announced for discontinuation;

- Product is in a standard color or finish, as indicated in the most current price list;
- Any stock product may be returned. To know if a product is a stock unit, please contact the customer care department; and
- Product was received in error does not represent what the customer ordered or has a manufacturing defect.

Products are not eligible for return to MAAX under the following conditions:

- Product has been previously installed, drilled, permanently marked, spray painted, or in any other way altered from its original condition;
- Product is "weathered"; degraded due to storage outside or exposure to the elements resulting in discoloration;
- Product is defective due to negligent storage; or
- Product is equipped with any accessories or options.

Prior to returning merchandise a MAAX customer must complete and submit the RGA Request Form supplying general and specific information about the unit(s) for return. MAAX must then authorize and approve the return in writing by issuing an RGA number. All products are subject to inspection prior to credit reimbursement and MAAX reserves the right to reduce such reimbursement as follows:

- MAAX will apply a 25% restocking fee against the reimbursement credit for all returns for any reason other than manufacturing defect or MAAX error.
- A repair cost will be applied against the credit reimbursement for any repair required to bring a product back to 100% resalable condition. In these circumstances the customer will be notified.
- Any unit returned via common carrier must have the freight prepaid by the customer to the closest participating plant. Contact customer service to locate closest participating plant.

Cancellation

Orders must be cancelled within 24 hours of receipt of MAAX's confirmation. All cancellation requests must be made by fax and be confirmed by MAAX.

Design and dimensions

MAAX reserves the right to discontinue products at any time or change specifications and/or design without notice and without incurring obligation. All dimensions are approximate and subject to change without notice. **CLIENT SHALL INFORM OWNER/END-USER ABOUT THE FOLLOWING CONDITIONS AND WARRANTIES**

Color variations

MAAX shall not be responsible for variations in granite color, wood grain, or color shades in the natural wood used; or for slight differences in color or texture of the material delivered in relation to the sample shown or provided to the purchaser. The purchaser may not use such differences to obtain a price discount or to cancel the order.

Maintenance

Regular disinfection provides an effective defense against various types of bacteria that can develop in the deposits building up over time in all bathtubs and showers. For daily maintenance cleaning, use a moist cloth and gentle liquid detergent. For acrylic surfaces, occasional use of a special acrylic surface cleaner such as Lumashine or Lumacream will add luster and protect the finish.

Certain types of therapeutic products when added to bath water, or if applied non-diluted directly in the bath, may damage the unit finish. Test the product on a small inconspicuous surface prior to use.

Do not use abrasive cleaners, scrapers, metal brushes, or any items or products that could scratch or dull the surface. Mirror should be cleaned with non-ammonia based cleaner only.

Limited warranty

MAAX offers the following express limited warranties on its products. These warranties extend only to the original owner/end-user for personal household use and start from the manufacturing date of the unit. For commercial uses, additional limitations apply.

MAAX warrants **acrylic units** to be free from defects in workmanship and materials under normal use and service for a period of twenty five (25) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **fiberglass units** to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **ABS** to be free from defects in workmanship and materials under normal use and service for a period of three (3) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **polystyrene** shower kits, tub wall kits, utility tubs and accessories to be free from defects in workmanship and materials under normal use and service for a period of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **whirlpool motors/pumps** to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **blowers** to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

Terms, Conditions and Warranties (cont'd)

MAAX warrants **whirlpool and air systems** (except perimeter air system check valves that have a 25 years warranty – see below) to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **perimeter air system** check valves to be free from defects in workmanship and materials under normal use and service for a period of twenty five (25) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **shower doors** to be free from defects in workmanship and materials under normal use and service for a period of ten (10) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **grab bars** to be free of all material or workmanship defects under normal use and service for a period of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **ceramic cartridges** for faucets against any leaks resulting from normal use by the owner/end-user, contractor or builder for a limited lifetime period.

MAAX warrants **thermostatic polysulfone cartridges** to be free from defects in workmanship and materials under normal use and service for a lifetime warranty from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **shower massage systems** to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **steam systems** to be free from defects in workmanship and materials under normal use and service for a period of five (5) years, **steam nozzles and steam generator electronic control** for two (2) years, from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **Chrome, Polished Brass and Brushed Nickel, faucet finishes** to be free from defects in workmanship and materials under normal use and service by the owner/end-user, contractor or builder for lifetime warranty from the initial date of purchase.

MAAX warrants **medicine cabinets** to be free from defects in workmanship and materials under normal use and service for a period of five (5) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **storage modules** and vanities to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **glass mirrors** to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants **electrical components**, including chromotherapy systems, to be free from defects in workmanship and materials under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

MAAX warrants the **factory treated wood parts** to be free of all material or workmanship defects under normal use and service for a period of two (2) years from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer.

Any product reported to the authorized dealer or to MAAX as being defective within the warranty period will be repaired or replaced (with a product of equal value) at the option of MAAX. Costs for freight associated with shipping of replacement product/parts might be charged to customer. In no event will MAAX be liable for the cost of repair or replacement of any installation materials, including but not limited to, tiles, marble, etc. This warranty extends to the original owner/end-user and is not transferable to a subsequent owner.

Neither the distributor, authorized MAAX dealer nor any other person has been authorized to make any affirmation, representation or warranty other than those contained in this warranty; any affirmation, representation or warranty other than those contained in this warranty shall not be enforceable against MAAX or any other person.

MAAX reserves the right to modify this warranty at any time, it being understood that such modification will not alter the warranty conditions applicable at the time of the sale of the products in question.

Limitations

This warranty shall not apply following incorrect operating procedures, breakage or damages caused by normal wear and tear, fault, carelessness, abuse, misuse, misapplication, improper maintenance, alteration or modification of the unit, as well as chemical or natural corrosion, accident, fire, flood, act of God or any other casualty. This warranty shall not apply to stain or malfunction caused by ferrous water, hard water or salty water.

The owner/end-user of the product covered by this warranty is entirely responsible for its proper installation and electrical wiring. This warranty is void if unit is not tested prior to final enclosure as per the installation instructions. MAAX neither installs nor supervises the installation, nor hires a contractor for this purpose, and consequently cannot be held responsible for any defect, breakage or damage caused thereby or resulting thereof, either directly or indirectly. The owner/end-user must provide access to the components of the product as described in the installation guide, so that MAAX can execute the warranty specified herein.

If such access is not available, all expenses to provide said access will be the responsibility of the owner/end-user.

This warranty does not apply to products or equipment not installed or operated in accordance with instructions supplied by MAAX and all applicable laws, regulations and legislation pertaining to such installations.

MAAX strongly recommends that its products—for example, but without limitation, shower doors and other items—be installed by professionals with experience in bathroom products. Installation of shower doors by an inexperienced person may result in glass breakage and, consequently, cause personal injury or death.

MAAX is not liable for any costs, damages or claims resulting from the purchase of products that do not fit through openings or existing structures. MAAX is not liable for any costs, damages or claims resulting from defects that could have been discovered, repaired or avoided by inspection and testing prior to installation.

MAAX is not liable for personal injuries or death to any person or for any direct, special, incidental or consequential damage, loss of use, loss of time, loss of profits, inconvenience, incidental expenses, labor or material charges, or any other costs resulting from the use of its products or pertaining to the application of the present warranty, or resulting from the removal or replacement of any product or element or part covered by this warranty.

EXCEPT AS OTHERWISE PROVIDED ABOVE, MAAX MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR COMPLIANCE WITH ANY CODE.

In any case, MAAX cannot be liable for any amount over and above the purchase price paid for the product by the owner/end-user, contractor or builder.

All options that are not sold separately as accessories must be factory installed. Otherwise, warranty does not apply.

This warranty gives the owner/end-user specific legal rights. The owner/end-user may also have other rights which vary from one state and/or province to another.

Commercial Limitations

In addition to the above conditions and limitations, the warranty period for products installed for commercial applications or used in commercial ventures is of one (1) year from the initial date of purchase by the owner/end-user, contractor or builder from an authorized dealer. If the product is sold by MAAX as a display, MAAX standard warranty applies.

Warranty Service

In order to obtain service provided under this warranty during regular business hours, contact the dealer or distributor who sold the unit, or MAAX directly. MAAX will provide the warranty service described above when the following conditions have been met:

- (1) the failure is of the nature or type covered by the warranty;
- (2) the user has informed an authorized MAAX Agent or Warranty Service Department representative, of the nature of the problem during the warranty period;
- (3) conclusive evidence (e.g., serial number or proof of purchase) is provided to the foregoing by the user proving that the failure occurred or was discovered within the warranty period; and
- (4) an authorized independent service person or company representative has been permitted to inspect the product during regular business hours within a reasonable time after the problem was reported by the user.

MAAX's warranty obligation shall be discharged upon tender of replacement or repair. The purchaser refusal to accept the tender terminates MAAX's warranty obligation. Any product replaced or repaired during the warranty period will be covered during the remaining period of the original warranty.

MAAX products are certified by one or more of the following certification agencies: UL, IAPMO, INTERTEK (ETL) and WARNOCK HERSEY. Certain models are pending certification approval. Certification may be ended by MAAX or certification agencies without notice.

RGA/DA REQUEST FORM

DATE :	MAAX REPRESENTATIVE :
--------	-----------------------

MAAX maintains the privilege of inspecting all units before making a final decision on returning product. This is to be carried out by a MAAX representative of our choice. Any unit found to be repairable will be so at the discretion of the MAAX representative.

CUSTOMER INFORMATION	
CONTACT	BUSINESS NAME
PHONE	PICK UP ADDRESS (LOCATION)
FAX	

Prior to shipping, the damage/defect must be indicated on the unit in grease pencil. If the product arrives in our distribution centre with damage other than that indicated in grease pencil, it will be repaired or returned and the cost charged back to the returning customer.

PRODUCT INFORMATION

All fields in this section are REQUIRED. This section must be filled out in full before an RGA or credit can be issued.

QTY	MODEL	ORIGINAL PO NUMBER	SERIAL NUMBER (where available)
DESCRIPTION / REASON FOR RETURN / DESCRIPTION OF DEFECT, IF APPLICABLE			Invoice
DESCRIPTION / REASON FOR RETURN / DESCRIPTION OF DEFECT, IF APPLICABLE			Invoice
DESCRIPTION / REASON FOR RETURN / DESCRIPTION OF DEFECT, IF APPLICABLE			Invoice

TERMS AND CONDITIONS

RETURN UNIT - IN 100% RESELLABLE CONDITION - Doors, cabinets, and kits must be in the original **sealed** package
Returns or destructions of multiple units will be subject to additional levels of MAAX approval

RETURN UNIT – MANUFACTURING DEFECT – Plant manager must be advised of 3 or more units returned for the same reason

DESTROY ON SITE All destructions must be performed by a MAAX representative or authorized alternative

DEBIT NOTE (if applicable) _____

- All products being returned for any reason other than manufacturing defects will be subject to a 25% restocking fee. This fee does not include transportation.
- All returned merchandise will be considered the property of the customer until an evaluation concerning the condition and potential fitness of the merchandise can be completed, and the account notified regarding the results.
- All products are subject to inspection prior to credit reimbursement
- A repair cost will be applied against the credit reimbursement for any repair required to bring a product back to 100% resalable condition. In these circumstances the customer will be notified.

Client Signature	Date	MAAX Rep. Initials
------------------	------	--------------------

Please sign above acknowledging that all of the information given is correct and that all the terms/conditions have been read, are understood and accepted by the client.

This authorization is valid for 45 days from the date at the top of the form. A confirmation of receipt of this request with a MAAX authorization number will be sent to you within 1 business day.

Please include a copy of the confirmation in the packing slip envelope of the returned article to identify the product at the MAAX warehouse upon arrival.

EXPERIENCE A GREENER **MAAX**[®]

The environment is important to all of us. We, at MAAX, believe in doing our part in reducing our ecological footprint.

As part of our 2011 initiatives, we've combined our standard price list and traditional product catalogue into one document and created a brand new powerful sales tool, thereby dramatically reducing pages. This new price book is printed on FSC[®] certified paper. FSC[®] certification guarantees that all fibres used come from renewable sources and meet the highest international standards.

With your cooperation and understanding, through a simple gesture, it is quite impressive to see how we can all contribute improving our environment.

We also invite you to use our electronic documents and don't forget to recycle your 2010 lists! No matter how small the effort, it makes a difference!

JOIN US AT MAAX.COM

www.maax.com is an essential and inspiring source of information.

In addition to finding all the products and therapeutic system details included in this book, our website offers design tips, product configurators and other useful sections such as a press room, technical support and where to buy.

Download technical drawings, installation guides, specification pages, photos and videos with one click

Our site, constantly evolving, is your personal assistant.

MAAX[®]

Enjoy the experience
