**T&K IS READY FOR YET ANOTHER GREAT SUMMER!** For 37 years, Will and Suzy Liegel and Theatre & Kids have produced a wide variety of opportunities for area children and their families. Summer performing arts camps drew hundreds, Saturday mornings brought diverse classes, and Cantabile Children's Choir traveled around the globe. Our apprentice program trained high school kids in leadership and the arts and each Spring brought a multigenerational extravaganza. However, looking at how the interests and needs of families have changed, T & K and the Liegels began offering something brand new: **A combination of all we do rolled into three exciting summer weeks.**

**With *Music Man*, *Annie*, *Pirates of Penzance*, and *Little Mermaid*, our summer program has been a huge success with full camps, great shows, and memories to last a life-time. Yes, the District did take a Covid break, but the good news is that registration is now open!**

**Our Starlight Summer Show camp includes the very best of T&K:**

**It's a Show Camp** – A great show staged in just three weeks. Auditions on Day One and then a disciplined, relaxed, productive rehearsal schedule ending in a stage-spectacular. Professional staffers who love kids, spacious facilities and outside grounds and many daily opportunities for growth, learning, and friendship.

**It's a Performing Arts Camps** – The show is added to with a dozen varied elective classes, an elective demo performance, snacks, a staff apprentice talent showcase, lunch break, guest artists, recreation times, openings and closings, and daily games, prizes, and fun.

**It's Summer Theatre** - Full scale productions allow for kids to experience the wonder of theatre. The biggest shows - polished, professional, and acclaimed. . Our recent *shows* were terrific! Check out the pics on our site.

**Daytimes 9am to 4pm** - No evenings or weekends other than the two performances, Sat, July , 30 2 & 7pm.  
(8am early arrival and 4:30pm late departure options)

**Tuition Price only slightly higher than last year**

**\$900** (Sibling Discounts \$50 - Early Bird Returnee Registration Discount by April 15 - \$25. As always, Theatre & Kids will provide full costumes, sets, lighting, and orchestrations at no extra cost. **Note:** Limited enrollment (75)

**OLIVER! jr!** The London of Victorian England comes to brilliant life with one of Broadway's Best! Numerous great roles, a tribe of singing/dancing boy and girl orphans, and unforgettable songs with a slightly softened "jr" story. Many costumes and sets – and so much fun! (6 Academy Awards / 3 Tony Awards) Astonishing theatre!

**Tickets** for the actual show will be \$10 each with two free tickets for each participant. Show will be open to the public.

**Camp Staffing** will include returning T&K teachers, Road Show staff, and new faces as directors, choreographer, costumer, stage manager, and teachers, all with full clearances and all eager to mentor young performers.

**The Facility** is perfect for our needs. Air conditioned! Spacious stage, 500-seat auditorium, large studios, cafeteria.

**Covid Adaptations** required by the North Penn District will be followed and will make for a safe, happy camp.

NOTE: There may be no limitations in place this summer (we hope!), but the Liegels administrate at a 300-person school that has been in-person five days a week from September 2020 on. **WE KNOW HOW TO DO THIS!**

**Apprentice Program** continues for **grades 10 - 12**. Full participation in the show with added opportunities and mentoring duties: NYC or Philly theatre trip, Talent Showcase, and Advanced Classes. Discount tuition, **\$750**.
