

2019 SMDFF Documentary Films

Showtime: 10:00 AM

Audience: Appropriate for all audiences and ages

The Medicine in the Mind Directed by Michael O. Snyder (**Virginia**) An American medical student travels to the Himalayan Mountains to volunteer with Tibetan refugees where she pursues training in mindfulness meditation. When the opioid crisis hits her hometown in Appalachia, she returns seeking to combat addiction with the medicine in the mind.

Art OD: The Art of Taurian Washington Directed by Les Owen (**Prince George's County, Maryland**) Local artist Taurean Washington shares his art and discusses his style and motivation of his work, which he calls "art hop", due to the influence of hip hop music in his work, during a show at Frederick Community College.

Crafting Fantastic Worlds Directed by Alexander Albrittain (**Charles County, Maryland**) A group of film and art students from Towson University share their life-changing experiences from their study abroad in New Zealand.

Diversity in the Long Gray Line Directed by Les Owen (**Prince George's County, Maryland**) The history of West Point reflects social changes in America. As the Academy recognizes the 1000th graduating Jewish cadet the film looks at the struggles and changes in the social makeup of the cadet population over the years.

Mapping for the Future Directed by Merideth Taylor (**St. Mary's County, Maryland**) An informational video on a community youth project to bring a community center to Lexington Park, MD.

Farming A Legacy Directed by Rodney Sutton (**Calvert County, Maryland**) A look at black farmers in Calvert County who have survived for generations against incredible odds, acquired and accumulated land, and have found ways to continue a family farming legacy born on the backs of their slave ancestors.

Jury Selected Film
