

## **Mrs. Samantha Cunningham**

Mrs. Samantha Cunningham is originally from Rutherford, TN. She attended the University of Memphis, initially, for a degree in Instrumental Music Performance, but decided to obtain her B.A. in Foreign Language with a concentration in Spanish.

Samantha leaned heavily on her faith in 2022, as God carried their family through a six-and-a-half-month Air Force deployment. When her husband returned from the Middle East in July and accepted a position at Clarendon High School, Samantha began teaching their daughters in Homeschool and truly felt her calling in educating them.

After two years of homeschool, the Cunningham family is excited to be back at Marvell Academy, and Samantha cannot wait to help students persevere and succeed.
