## The "Crank" Case

Sounds like the May meeting went off without a hitch. Thanks Reed for running the meeting.

The reason I could not make the meeting is that Jamie and I were in Ireland and Scotland for a couple weeks with some good friends of ours. What fascinating countries. The people there are so kind, but they can't give directions worth a hoot. However, it doesn't help that the streets in Dublin change names about every couple blocks and street signs are essentially

none existent. Here I thought Colorado Springs was bad.

While visiting the touristy area of Cork, Ireland, there was a very large banner draped across the front of a building – "FORD Celebrating 100 years in Ireland". There were Ford banners on street light poles as well. In Killarney, Ireland, there was a Nite Club named Mustang Sally's. See photos. The club did not open until 9pm and we were not staying in the city, so I missed the opportunity to see what the interior of the place was decorated as. Ford dealerships were the only "Big 3" American car manufacturer we saw in Ireland and Scotland. We never went into the dealerships, but we did not see any Mustangs on the lots as we drove by. While in Edinburgh, Scotland, a 2014

# Hoofbeats

Mustang (the only one I saw) drove by while we were visiting this beautiful city. Yes, it was right hand steering. I drove most of the time while in Ireland, and yes, it is weird driving on the left side of the road on the wrong side of the car. Especially when large tour buses pass by you on roads that were made for horse and buggies. Needless to say, I freaked my passengers out a few times...as well as myself.

Just a reminder, the meeting this month is on the second Saturday, June 10<sup>th</sup> at IHOP on Stetson Hills instead of the third Saturday due to the Rocky Mountain Mustang Roundup.

See you there.

## Club Meeting Minutes (20 May)

The meeting was called to order at 6:30 PM by vice president Reed Hiltermann.

There were 2 new members (Oliver & Maggie Harris, Scott & Vonne Kaxzorowski) and 2 guests present.

There were no minutes for April as no club meeting held due to weather cancelling the birthday event at Phil Long.

The treasurer's report was given by Ross and approved. There were 3 expenses this month, club insurance \$453, the Mustang Museum brick \$250, and the state certification fee \$10. The balances are as follows:

### Old Business

The May First and Main show was a success with 22 member cars and 356 total cars there.

The club picnic was discussed. An email will be sent out to get a count of members attending and the number of hamburgers and hot dogs they will be eating. Members will be bringing side dishes and desserts. The board needs to contact Polly Roberts to see if she will run the contest for the best side dish and dessert.

The makeup date for the Phil Long show has not been set.

Members were reminded that next month's meeting will be on the second Saturday, June 10<sup>th</sup> due to the Rocky Mountain Mustang Roundup.

### New Business

Reed asked if the members would be interested in attending a Sky Sox game. There was interest so he will look into setting a date for that.

Reed said that he will be setting up another dyno day for the club.

Using Johnny Martins for the next club meeting was mentioned. There are concerns about parking. Members were also told that Johnny Martins is looking for 4 or 5 cars to be on display for a month.

Ross will be sending out an email to all club members asking for their input on the club logo, if they will be attending the Rocky Mountain Mustang Roundup, and if they like having the club meetings at different locations or would they rather have the meeting at the same location.

Pat Germain asked if there was still an interest in doing a club directory with pictures of our Mustangs. In the past he had informed the club of a photographer who could take the pictures of the cars. If members are interested they need to contact him.

The door prize drawing was held.

There was a motion to adjourn the meeting and it was passed. The meeting adjourned at 7:05 PM.

## Club Business

[Repeated here are questions from Ross that he included in an email asking for your answers]

Several questions have come up and the board needs your answers. Please email me (Ross: [zoe85gt@live.com](mailto:zoe85gt@live.com)) with your input so that the board may discuss these items at the next board meeting.

1. Are you planning on attending the Rocky Mountain Mustang Roundup? If so, please send the day and time you are planning on leaving and your cell phone number.
2. Are you going to attend the club picnic on Saturday July 15th? The club will be providing the meats. Do you want hamburgers and/or hot dogs and how many?
3. Do you want to continue to have the location of the club meeting change or do you want to have the meeting at the same location every month?
4. Which of the attached logos (One or Two) do you want for the back of club shirts?

### First Saturdays Car Show

Five club members met at Mimi's prior to participating in the 3 June First Saturdays Car Show. Additional photos are posted on our [Facebook group page](#).

### Neighborhood Car Show

Reed made several club members aware of a neighborhood car show planned for May 29th at the Firestone tire dealer on south Academy. To my knowledge, no members showed cars, but I (editor) dropped by and took a few pictures. I counted three Mustangs.

## Mustang Birthday Party

There is no new information about a car show / birthday party event at Phil Long Ford Motor City.

## New "Old Colorado City Car Show"

As you may know, the Good Times Car Show is no more (sadly). However, thanks to the efforts of Ace Cosley, a new car show in the same location and the same time of the year, will take it's place. Following is a link is an interesting news article that is an interview with Ace as he discusses the new car show. [Old Colorado City Customs & Classics Car Show](#)

## Dick's Dialogues!

Welcome to all you faithful Mustangers! Big things are going on as we gear up for the summer. The 2005 Mustangs are on the way in the not too distant future-Terry Myers stumbled on four of them, in Trinidad, doing real world durability testing (see pics in this newsletter) and also Hap's article, on the Great American Pony Drive, in this newsletter (as well as on the club website-great job Wayne). I'm still working with Phil Long to try to get us an advanced showing, when they come out. We have a lot of activities planned including some more impromptu get-togethers, and for you racers the autocross/open track events are taking off.

Did you know that all but one of the Board Members have or will be moving or building a new house this year-it's harder to hit a moving target (just joking)? As noted last month, Terry and Sharon Myers have already moved into their beautiful new house, in SE Colorado Springs. Debbie and I have a new house under construction, foundation's poured-framing next week, in Woodland Park; we hope to be in by November. BJ and Russell Harbach also have a new house under construction-closed

in with roof and starting mechanical work, not far from the Myers on the edge of Security/Widefield; they hope to move in by late August. Jim and Elaine Prickett just bought 30+ acres in Turkey Creek Ranches, just off Hwy 115, and will build a new house there.

Welcome Jesse Soklin, as a new member, introduce yourselves to each of him when you see him at club activities; also remember to wear your name tags, it'll help people to get to know each other better.

The Cruise to the Abbey Car Show and lunch, May 15th, was another success; we had 11 cars with Al/Sue Alberg, Dick/Debbie Collins, Dean Gacita, Jim/Dawn/Brenda Guggenbiller, Chuck Hoyle (got a nice ride with Bryan), Robert/Bekka Jimenez, Bryan/Evelyn/Ashley Lowry, Toni/Amber/John (and nephew Sam) McCord, Jim/Elaine Prickett, Ross Schwyhart/grandson, and Fred/Shawn Sontag. We were also joined by Mike Dpiazza (just returned from Iraq and a just bought an 2000 GT convertible) and his girlfriend Juliette Appleman plus two of Robert's co-workers. We had a

## Hap's Warm-up Autocross "Mishap"

As I arrived at PPIR for the autocross last weekend [21 May] the fan belt began to howl. Upon inspection it turns out the 5.25" cap screw and the spacer that holds the top of the alternator in place had worked its way out and fallen out somewhere on the road down from Denver. Darn. When I checked under the hood the previous day everything looked ok. Unfortunately you are not going to find one of these bolts from a friend at an autocross. Terry luckily said he had one at home which he'd get for me after the autocross was done. Meantime Terry and I looked for other alternatives that might get me on course and back home. The best one we came up with was a shorter bolt which located the alternator on the bracket and some plastic wire ties to keep everything in place. This worked to a point, as sudden throttle would still torque the alternator which resulted in belt noise and the possibility the belt would hop off or break. So no autocrossing. This fix would prove to be good enough to drive back up to Denver with a soft foot on any acceleration. Thanks to Terry and Derick for all the help and support and to Arnie for a bolt and some wire ties.

## Dean's Finland Car Show Pics

A co-worker of mine went on a trip to Finland and came across a car show. The co-worker took a few photos and shared this with me since he saw a Mustang at the show. Apparently Finland and specifically Helsinki have an interest in American classic cars. The Mustang is very popular across cultures.

Yearly in Helsinki, for the past 40 years, there has been an American Car Show. Here is a link to a video that captures the cars that were on display exiting the [40th American Car Show](#) earlier this year in April.

## Club Clothing

There are two sources of club clothing: Graffi-T's Screen Printing and More, and Lands' End. Graffi-Ts is located in the Springs and provides silkscreened clothing. Lands' End is available online and provides their clothing embroidered with the club's logo.

### Graffi-Ts

Graffi-T will provide club clothing that includes the Mustangers logo on the left chest and the running horses across the back. The long sleeve garments also include a left and right sleeve print. The colors that work best with our logos are: white, light grays, light blues, pinks, light greens, yellows, red, tans, and orange. The available styles are: sweatshirts, hoodies, long sleeve t-shirts, short sleeve t-shirts, and ladies v-neck t-shirts. A minimum order of 24 or more pieces in mixed styles, colors and sizes is required. In order to meet the minimum order quantity, the club accumulates individual member requests until the minimum quantity is met, then places an order. There are shirts available from previous club orders. Please contact Bryan Lowry about clothing currently in the club's shirt inventory.

### Lands' End

Rocky Mountain Mustangers stitched-logo apparel is available from Lands' End. Use this link [Lands' End](#) to access the club's Lands' End website to place an order. The logo is shown below. Clothing items include shirts, sweaters, blazers, jackets, and caps.:

The cost of an item is the cost to apply the logo to the item you select (\$8.50) plus the cost of the item itself, and shipping (typically \$9.95 for multiple items). There is no minimum quantity; orders may be placed for single items. The time from placing the order to receiving it is typically three weeks.
