

RT2

SPOT REMOVER
Fabric, Leather & Plastic

Product Description:

RT2 is a general purpose spot remover for housekeeping and laundry areas. Its stable peroxide-based formula is tough on stains but gentle on fabrics, such as laundry linens, curtains, upholstery, and carpets. Ideal for use on common stains as well as coffee, juice, food, sauce, make up, blood, grass and sweat.

The stable peroxide-based formula removes dirt and stains which makes it a multi-use solution for per-spray, extraction and spotter. Safe for use on synthetic and wool carpets. It is fragranced to leave a fresh scent after use.

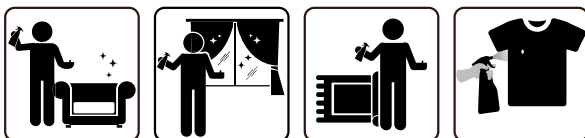

Typical Uses

Use to remove stains from all surfaces, including leather, plastic, upholstery, curtains, carpets and any type of textile.

How to use for cleaning:

RT2 is a ready-to-use product.

Spray on stain to be cleaned. Allow for 30-60 seconds while RT2 chemically softens and penetrates dirt. Use a damp towel to agitate the treated area. Rinse with clean water.

Available Packaging:

4x5 liters
6x1000 ml

Refer to SDS before
using the product.
