Pedro's Guarantee

If your meal is not to your liking, please let us know after two bites and we will gladly replace it.

Most Mexican food is cooked with onions, peppers, and tomatoes, if you dislike these items or have an allergy, please ask your server for guidance.

Mexican food is best when prepared and served hot. Please allow ample time for us to prepare your food as all steaks and fajitas take a little longer to prepare. All of our dishes are prepared with vegetable and/or soy oil.
