Are you ready for PUMPKINS? WE ARE!

The patch returns and we are so excited to bring this to the community during a time when most fall events have been cancelled. Our courtyard will be decorated with all the beautiful fall scenes and we will once again sell pumpkins. However, we will not be able to have a Family Day this year. Families can come take pictures, walk through the patch and buy pumpkins. All of this means we need volunteers!

Dates and times below

Member Spotlight

Bob & Sharon Kirkpatrick

Bob and Sharon were married in the Tularosa UMC in 1970. The Women's Society of Christian Service gave them their reception. After Bob was discharged from the U.S. Air Force they left but returned back to Tularosa in 1974. They have held various leadership positions within TUMC. The memorable times they enjoyed were when they partnered with Charlie and Evelyn Ford to organize and manage the Saturday Kid's Club and many years Sharon had fun organizing Vacation Bible School. Bob, with others, has done much to upgrade the facilities and sanctuary. Their children grew up in this church and Amy has many good memories. "We love TUMC, it's our home and family!"

Blue Envelope Monthly Focus — Grace Cares Pantry

This month's blue envelope monthly focus is the **Grace Cares Food Pantry**. Even during this global pandemic we are preparing bags of healthy foods. Each week the pantry has 35-50 consumers. These funds are also used for emergency food supply for individuals who are unable to wait until Thursday for our normal pantry hours. You can give online: <http://www.graceumcalamogordo.org/electronic-giving-and-payments.html> look for the local hunger line item.

Ensuring our neighbors have the basic foods each week!

Every Wednesday 5-7 PM!

Life is crazy and chaotic these days, and we all need a little more love and grace in our lives! So come and let us pray for you and offer you Communion in the safety of your own vehicle. Just drive up into the north side of our main parking lot at the intersection of Greenwood Ln. and Cuba Ave. Once you're there, we'll guide you the rest of the way.
