

have not seen any 28-48, 55-74

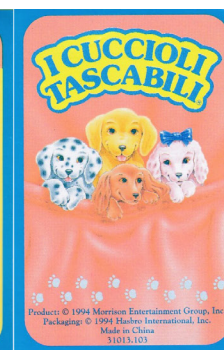

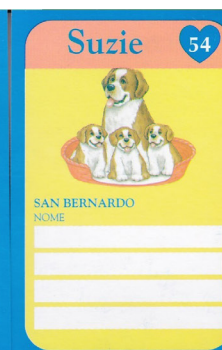

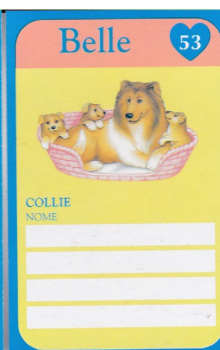

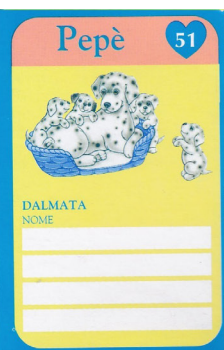

Puppy in my Pocket Type V cards - Italian issue 1-76

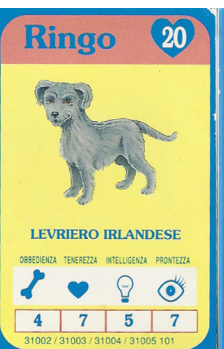

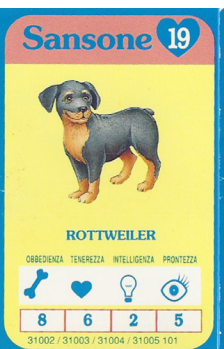

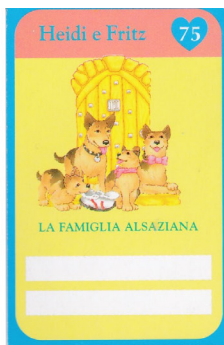

Not issued 26/27, 49/50

have not seen any 28-48, 55-74

Possibly all issued from 26-54, except 26,27,49,50?

Italian 55 - 74 not seen any

All had the code at the bottom ending as 103, but some also had 101 instead, not sure why?
