

Sunday Meditation

Of all the prayers that Paul might have prayed for the churches and for us, he prayed, not that we'd get more blessings, **but that we would understand and walk in the blessings that we already have!** In Christ we

already have all we'll ever need. We're "complete in Him" (Col. 2:10). "He has blessed us in Christ with every spiritual blessing in the heavenly places" (Eph. 1:3). But we don't realize all we have in Christ; we're not walking in it. Realizing our need to know what we already have, Paul prayed that we would receive "a spirit of wisdom and revelation in the knowledge of God" (Eph. 1:17) and would comprehend with all the saints the full range and extent of our blessings and "to know the love of Christ which surpasses knowledge" (Eph. 3:17-18). If we knew and could believe this, how formidable we'd be against Satan! All for Jesus, Richard
