Personal Info and Hobbies:

One of my favorite things to do is travel. My wife, Tara, and I both love to ride our motorcycles and see the world away from the interstates. I love both kayaks and cruise ships and thanks to living in Florida, I get both! I consider myself an avid reader with favorite genres ranging from history to science fiction. I am a huge fan of college football and somewhere along the way, I have developed a personal appreciation for fine cigars and smooth rum.
