Inclement weather/emergencies: New York All Stars reserves the right to cancel classes whenever inclement weather, emergencies or hazardous conditions occur. We cannot guarantee an opportunity to make-up closures in these instances.

POLICIES

1. Tuition must be paid in full to complete your registration and begin classes. Your space will not be held for more than 48 hours without payment. Payment for tuition is non-refundable but students may transfer classes at no cost.
2. Please send your child with a water bottle to every class, practice and event. New York All Stars has a water dispenser at the studio for refills. Water is the ONLY beverage allowed at New York All Stars.
3. All classes are drop-off only. Due to limited space, there are no observers. Please drop off and pick up no more than 10 minutes before the class start time and finish time. Exception: Doors open for Pre-K Prep at 9:00am.
4. What to wear: Dance or athletic clothes for most of our classes with hair up and out of the face. Dance and musical theatre classes require jazz shoes or ballet slippers. No street clothes including jeans, jewelry or open toed shoes in ANY movement or tumbling class.
5. During classes: No food, No Gum, No Phones.
6. Zero tolerance for abusive language, action or behavior toward any student, parent or employee.
7. No side-coaching. Please do not instruct your child during classes or performances.
8. Save training for class time. **Trying skills at home without the supervision and critique of a qualified coach is not only dangerous but creates bad habits.** Your child should progress at their own pace and the best way to work at home is to prepare the body for each class – stretch, rest, drink water, eat well. Our instructors are happy to provide you with tips for practicing between classes.
9. Due to a high volume of students and limited space, we do not offer trial lessons.
10. NYAS is an inclusive program and will always make an effort to accommodate students with learning differences or physical conditions, however we require clear communication of your child's condition and needs. Please clarify any special needs upon registration to ensure we are properly prepared to instruct your child.
