*Personal Medicine is not the medicines that you take it is what you do for your recovery. It is your own personal things that you use to help you through a rough period such as: breathing, exercises, crafts, reading, meditation or what ever it takes to get you through your trying time.*

*Pat Deegan founded Personal Medicine because of her own personal dealings with her Mental Health Illness.*

“The adventure of life is to learn.  
The purpose of life is to grow.  
The nature of life is to change.  
The challenge of life is to overcome. The essence of life is to care. The opportunity of life is to serve. The secret of life is to dare. The spice of life is to befriend. The beauty of life is to give. The joy of life is to love.”

~William Arthur Ward

## IT'S ALL ABOUT YOU

\*YOU will discover your own strengths.

\*YOU will set your own goals that will help you SUCCEED in your own recovery!

\*YOU will create the life you want despite the setback of a mental illness.

Recovery from a mental illness takes work, BUT the work you do here could **change** the rest of your life.
