DAILY ACTIVITIES   Every camper rotates through many stations of activities each day.

P.E. – Various Sports Games and Fitness activities are offered to all campers according to interest. Dance is also scheduled throughout camp as a club.

GG = Group Games will create a healthy competition amongst camp teams and also promote team building and leadership skills.

Art – Various Art and Craft techniques and materials will be used throughout summer camp. Some will be messier than others and some will be group projects.

STEM- Science experiments and Computer/Technology Lab available daily in rotation.
