

First Day of Online Learning
Issued 3/16/2020 at 5:00pm

Good afternoon VPE bobcats,

Well we have officially started our online learning program at VPE! You should have received some sort of communication from your teacher today and been able to log on to google classrooms or another online platform designated by your teacher. If you didn't get to it today, please do so tomorrow. If you have challenges finding where to go, email your teacher directly. If you continue to have difficulty with the technology you can contact the district family help line at 714-628-5372. We understand that this is a stressful time for all families, teachers, employees and students and we want you to know that we are here to help. Teachers are working remotely, however the office continues to be open. Please feel free to call us with any questions. We still have devices so if you need to check out a device please come by the office between 7:30 and 4:00 and we can check one out to you.

We are in this together. Stay healthy!

Principal Beggs
