

The sale route follows Highway 141 across beautiful west central Iowa between Des Moines on the east and Sloan on the west. The entire route is in excess of 177 miles in length. That is 177 miles of great garage sales, countless bargains, and hidden treasures just waiting to be found.

Hornick will be participating in the annual Highway 141 Garage Sale. We will have tables available to rent at Town Hall if you would like to set up a booth indoors. Also consider using the City Park to hold a sale.

Hornick has a \$5 registration fee for each sale. Included in the \$5 fee are multiple newspaper ads ran across the state of Iowa by the 141 Sale Committee. You will also receive your address and sale items listed under the [Hornick](#) page on the official 141 website (www.141sale.org)

NOTE: this website is used in every ad! The committee also contacts WHOTv and KCCI, as well as listing the event on their community calendars and www.craigslist.com.

Please support your town and register your sale! **TOWN SALES MUST BE REGISTERED WITH LORI MATTHIAS.**
