

I'm not dead! MAN

Here, he says he's not dead! ROBIN

Yes, he is. LANCE

I'm not! MAN

He isn't. ROBIN

Well, he will be soon, he's very ill. LANCE

I'm getting better! MAN

No, you're not; you'll be stone dead in a moment. LANCE

I can't take him like that. It's against regulations. ROBIN

I don't want to go on the cart! MAN

Oh, don't be such a baby. LANCE

I can't take him... ROBIN

I feel fine! MAN

Well, do us a favor... LANCE

I can't. ROBIN

Well, can you hang around a couple of minutes? He won't be long. LANCE

Oh, alright. Kevin. ROBIN

Thanks, mate.

LANCE

(The CARTER picks up the MAN and carries him towards the cart)

But make it quick, I got to get to Camelot by six.

ROBIN

You're going to Camelot?

LANCE

Yes.

ROBIN

What, you got a gig?

LANCE

No, I'm going to enlist.

ROBIN

What, as a Knight?

LANCE

Maybe.

ROBIN

Well I'll come with you.

LANCE

I'm not dead yet.

MAN

Shut up. I fancy some of that fighting.

LANCE

Oh, there's fighting is there?

ROBIN

Quite, a lot of fighting, mate. That's what the job's all about.

LANCE

Oh, I see. It's not just dressing up. And dancing.

ROBIN

No, no. It's mostly fighting.

LANCE

Oh. Oh, good.

ROBIN
