CHAIRMAN'S CORNER – Nancy Ordowski

I hope all of you had a great July 4th celebration. We have an AWESOME country and it is going to take all of you and many more citizens like us to Keep America Great. I know it is frustrating to hear all of the comments from the liberal left, but keep educating yourself, family, friends and voters in your precinct.

We do not endorse any candidates in the primary, but you can personally share your support of the candidates you like as long as you do not make your comments and support on behalf of LD23.

Looking forward to seeing you at our **July 12, 2018** District Meeting to be held at in Fountain Hills. Details are in Rich's comments below or go to www.ld23gop.org for a map link and information. Sign-in begins at 6:30pm; meeting at 7:00pm. Know that I appreciate all the work each of you do. You can reach me at ncordowski@gmail.com or 480-203-5278.

SECOND VICE CHAIRMAN - Rich Rutkowski

As the weather heats up, so do the campaigns. On Thursday, July 12, we continue our series of Candidate Forums. We'll be meeting in Fountain Hills at the FHUSD Learning Center at [16000 E. Palisades Blvd.](#) in Fountain Hills. [MAP](#) This month, the forum is for United States Senate. The Republican candidates for the nomination are: Joe Arpaio, Martha McSally, & Dr. Kelli Ward. Congresswoman McSally is unable to join us since Congress will be in session and she will be in Washington, D.C. Former Maricopa County Sheriff Joe Arpaio and former AZ State Senator Dr. Kelli Ward will attend the forum. We'll follow our standard format, with each candidate (in random order) giving a 2-minute opening statement, answering questions from you with up to 2-minutes for each answer, then ending with a 3-minute closing statement. Time limits will be enforced in order to optimize the number of questions. Start thinking about questions, but please formulate questions which can reasonably be answered in the 2 minutes allowed for the answer.

Please visit www.ld23gop.org, for any updates, and read LD23 communications, for accurate information about future meetings, upcoming events, documents, and links to other web sites and resources.
