## From the President's Desk:

It's time to start gathering pictures for the club calendar. If you have any good photos taken around the club in the last year or so, please email them to me at [hkbrt@verizon.net](mailto:hkbrt@verizon.net)

The rifle range and pit 2 will be closed one hour before sunset (7:00 pm) on the 13th of August for 3 gun match set up. This will be a regular occurrence for the rest of the year.

The date for the October 3 gun match has been changed from October 9th to October 16th.

Howard Thompson

## Juniors:

It's that time of year that the State Game Commission posts their free hunts. There are many hunts listed on the commission website. They are mostly for kids from 12-16, but there are also some lady's only (18+) hunts listed. Register as soon as possible in order to get a spot. Here's the website:

<https://www.register-d.com/programs/pennsylvania/40-pennsylvania-special-hunts?>

Also, we have managed to harvest honey this year. What luck! We will have 12 ounce honey bear bottles for sale (\$8 each) at the next open meeting and at the picnic. Get yours before they are gone.

Ted Bell

## Family Picnic:

Mark your calendars for Sunday, August 28<sup>th</sup> from noon- until ? Good food, games, bingo, door prizes and more, archery, something for everyone! Please bring covered dish or dessert to share. We will provide hot dogs, barbeque & fried chicken, drinks and Carmen's ice cream. Please RSVP to Kevin Myers: 410/357-5043 OR [smmyers78bulls@comcast.net](mailto:smmyers78bulls@comcast.net) by Aug 20<sup>th</sup>. We need to know how many adults and children are attending.

### **Firearms' Training & Education:**

We are hosting a "Relevant Concealed Carry Class" at York IWLA September 17th & 18th. The class is through the TROP Training Group. Pre-registration is required. TROP is offering two (2) complimentary training slots to York IWLA members ONLY. We will select those 2 members by a random drawing the first day of class. Cost of the course is \$400 per person; however, York IWLA members will receive a \$50 gift card from TROP when class starts (unless you win the free slot). You will also have the option of buying ammunition at a discount when you register (1,000 rounds recommended). TROP is donating funds to our club for every person that registers for the course so tell your friends. Please let me know if you are attending the course so I can let TROP know which people in the class are York IWLA member eligible for free class drawing. If you have questions about the class or to contact me, please email me at [mdstephens@skcoinc.com](mailto:mdstephens@skcoinc.com) or call at 717-600-7422. Class registration is online at <http://shop.tropgun.com/catalog.php?category=110140>. Class is limited to 20 applicants so don't wait too long.

Course Description: Relevant Concealed Carry is the primary training course for individuals that exercise their right of self-defense with a concealed firearm. This training centers on realistic training points for private citizen concealed carry and is not a modified version of military or law enforcement curriculum. Skills developed in this course will focus the participants on being a more prepared concealed carrier throughout the entire spectrum of force. Many training programs focus on the "how," in RCC we dive deeply into the "why." Course Highlights: CCW Selection & Set up, Conceal Carry Draw Types & Cycles, Realistic Movement Principles, Multiple & Moving Threats, Predatory Behavior and Pre-Incident Cues, CCW Threat Matrix, & Legal Considerations for Concealed Carry. A functional handgun, holster, 3 to 5 magazines minimum (helps speed up drills in class) & 800 rounds of ammunition (minimum) are required (1,000 recommended). Also bring a note. And as always, you are required to bring your own safety glasses & hearing protection.

Mike Stephens

### **Welcome New Members:**

Please give a warm welcome to any new members as you see them on the grounds. Remember, with all new members and existing members, safety on our ranges is a very real concern. If you have questions regarding safety rules, please ask someone.
