Administrative Update

The Spring sports schedule is almost complete. Alonso will not host Relay For Life this year. It will be held at Sickles High School on April 5th, which is the night of Grad Bash for Alonso.

Upcoming Events:

Treasurer’s report – see attached report. The German Club will now be part of the Booster Club.

Membership Committee Last year the Booster Club had 277 members for the entire year; this year there are 276 members to date.

Concessions Committee There are still openings for the snack shack. Looking for suggestions to encourage teams to work the concession stands. There will be 6 Middle School flag and soccer games at Alonso starting in January. The field concession stand will be open for all 6 games.

Misc. A suggestion was made to update (“beautify”) the snack shack. Maybe have students submit designs as a contest.

Next board meeting scheduled for Monday, February 4, 2019 at 6:00 pm at Alonso in the Media Center.

Meeting Adjourned 6:49 PM.
