Tuition & Hour Clarifications

Monthly Tuition is due the Friday before your scheduled due date of the month

Example your due date is the 1st and it fall on Wednesday your tuition will be due the Friday before.

Bi-Monthly Tuition is due on the Friday before your scheduled due date.

Example your due date is the 1st and it fall on Wednesday your tuition will be due the Friday before.

Tuition is calculated by dividing the monthly rate by 2 and then a \$5.00 fee will be added to each of the 2 payments for bi-monthly processing.

Weekly Tuition is due the week before care is given and is due on the last day of attendance the week before care is given.

Example your child attends Monday, Thursday tuition for the next week is due by Thursday.

Tuition is calculated by dividing monthly rate by 4 and then a \$15.00 weekly fee will be added for weekly processing.

Hourly rate is paid by hour and round to the next hour.

Example 7:00am drop off and 10:25am pick up you will be paying for 4 hours.

Half day rate is for 5 hours or less.

Example 9:30am drop off must be picked up on or before 2:30pm.

Full day rate is for more than 5 hours and less than 9 hours.

Example 7:00am drop off must be picked up on or before 4:00pm.

Extended full day rate is for 9 hours to 12 hours.

Example 6:30am drop off to a 4:30pm pick up. You are covered for all open operating hours.
