Personally Identifiable Information is a requirement to understand your needs and provide better services and make the website user friendly site. Anonymous Traffic information may be used by us to remind us of who you are in order to deliver to you better and more personalized services by the website, to further recognize your access privileges to our website, to track your entries in contests and events, and to administer our website.

#### **4.Sharing of the Information:**

We will not rent or sell your personally identifiable information to marketing companies or other unrelated third parties. To provide you quality services and products, we may share your information in limited circumstances, as follows:

- A. if and when we receive express permission from you;
- B. to provide services or products you have requested;
- C. to help investigate, prevent or take action regarding any unlawful, illegal activities, suspected fraud, safety or security of any person, violation of the end user license agreement, or defend any legal action and claim;
- D. in special circumstances such as compliance with subpoena, correct orders, request or orders from legal authority, enforcement agencies requiring such disclosures.
- E. We may share your personal information with our family of affiliates or agents whom we instruct in our privacy practice and agree to comply with such policies.
- F. We may contract with other companies who work on our behalf to perform support functions. Such companies will be required to safeguard your information, and may not transfer your information to another party for marketing purposes without providing you notice or obtaining your consent.
- G. We reserve the right to transfer your personal information, under similar privacy protections, in connection with a sale or transfer of all or a portion of our business or assets.

*Note: We reserve all rights to disclose your personally identifiable information and e-mail information, without your consent, as required by law, regulation, court order, or governmental investigation, if such disclosure is necessary to protect our rights and comply with the judicial proceedings, court orders and legal actions and claims.*

"We Come to You Photography & Video" SF Productions implements a variety of security measures to help protect your information. Our staff is trained to follow our policies and procedures regarding protecting your privacy. Likewise, we recommend that you take measures to safeguard your personal information while you are on the Internet.

#### **5. Website Liability:**

The website however strives to use commercially acceptable means to protect your personal identifiable information but we cannot guarantee its absolute security. All registered accounts have an administrative username and password which is not to be

given or disclosed to anyone. The website has no liability in the event of any misuse or loss caused to you or your personal details as a result of you giving or disclosing your password to anyone. Further, you understand that in the event you choose not to password protect your site, your site is open to the public without any protection and your personal photo, video, and other files, as collected online shall be classified as 'unclassified information' with no protection or security measures. While we try to protect your information we cannot and do not offer any absolute guarantee. We will, however, agree to inform you if we learn the security of this site is compromised.

## **6. Security:**

We are committed to protect your personally identifiable information. All your personally identifiable information is safeguarded by industry standard firewall and password protection systems, which protect the same from any kind of loss, misuse and alteration of the information under our control. In order to achieve this high level of security standards, the privacy and security policies are periodically reviewed and enhanced if necessary and only authorized individuals have access to the information provided by you on-line.

## **7. Posting to other Social Networking sites and links to other websites:**

When you sign up for an account, you will set up an administrative username and password. This is private information that should not be given out to anyone.

## **8. Your consent:**

Furnishing Personally Identifiable Information is entirely your voluntary action, and by using the website you consent to the collection and use of the information by "We Come to You Photography & Video" sfproduction.net. We reserve the right to change or update the privacy policy from time to time, and we will post those changes on this page so that you are always aware of what information we collect, how the same is used and under what circumstances the information collected are disclosed.

*Note: Consistent with the Federal Children On-Line Privacy Protection Act, 1998 (COPPA), we will not knowingly request personally identifiable information from any one under the age of 13 without requesting parental consent.*

## **9. Opt-Out Policy:**

Being a customer/member of the site you may at any point of time change your interest and may opt-in or opt-out from using our website services. Opting out from using the services completely alleviates the need to gather any personally identifiable information from the users. Further your account settings may be changed as per the industry standards upon your opting out of the services and the same shall be intimated to you within seven working days from such change. Also upon a written request from you, your
