4. Upload your completed practice image here exported as a jpg.

Ai Illustrator Skills **Level** **PRACTICE**

BASIC SHAPES: Draw the following shapes using basic shape tools. Use a different fill color for each. Use a 2pt. stroke for each, but use different colors for each stroke.

PEN SHAPES: Use the pen tool to create the following irregular polygons. Fill each with a different color. Remove the stroke from each as well.

ROUNDED CORNERS: Use the rectangle tool and then round the corners to create the following shapes.

SHAPE MEASUREMENTS: Create a shape with the following dimensions:
RECTANGLE: 2-inches wide by 1-inch high **STAR:** 10 pointed w/ 2-inches as the biggest measurement **OCTAGON:** 1.5 inch wide octagon
