

NURSERY LETTER

SPRING 2021

Welcome to our second Nursery Curriculum Newsletter. You will receive a newsletter each term, highlighting the learning that we will cover in each of our curriculum areas.

It was lovely to welcome back a few families this week but sad that we will not be seeing some of you for a little while.

As things are a bit different at the moment, we will be using Tapestry to share activity ideas, stories, songs and messages. To help support those families that are at home.

We really enjoy sharing your child's learning and special moments with you and love to see what they have been learning and enjoying at home. Please continue to share those special moments with us here too.

Please make sure you can access Tapestry, so you don't miss any learning opportunities. If you have a problem contact the school office (office@newtonleysprimary.org)

We will continue with planning based on the children's interests. The children lead the way in their own learning. With their ideas and interest we will then plan and provide a variety of different activities and learning linked to children interests within the different areas of the Early Years Curriculum.

The focus will be mainly upon the prime areas of learning: Personal Social and Emotional Development, Communication and Language and Physical Development

PE will be on Fridays, children can come into Nursery wearing their PE kits; White t-shirt, tracksuit bottoms or leggings and trainers.

We look forward to a busy term, any concerns please don't hesitate to speak to us!
