100% of gaming money back to the community

~COMMANDER~

I want to thank every member of our post and all the associated organizations for providing the financial assistance that made many of our recent improvements possible. Your donations and the physical labor provided by the VFW board officers have given our post a new look and improved vitality. A parcel list of this year's accomplishments include: replacing the main grill exhaust fan motor, repairing the post ice machine, new patio fans, a new fence on the north side of the building, painting of all the fences, painting of the building's exterior, repairing the fascia around the roof, patching, sealing and painting the parking lot, the installation of a new furnace /air conditioner, new microwave and added new stainless steel table in the kitchen, installation of a new Point of Sale (POS) system for the canteen, roof leaks were patched, the office painted and reorganized, and new floor tile for behind the bar. These changes were possible thanks to all the contributions of our members and the dedication of the officers of this post.

Our Quartermaster and Canteen Manager have also worked especially hard to ensure that our post has been well managed and financially secure throughout 2018. The post has fulfilled all of our annual charitable obligations and has also found ways to grow our membership. Our officers have performed their duties in an outstanding manner. These volunteers have given their time and labors to our post and do not receive one penny in compensation and have made valuable contributions this year. I believe that more of our members are willing to come forward and contribute to the oversight and management of this post. That is why, I am asking any regular member that is interested in our post or has any questions to come forward and become more involved. You are always welcome to attend any of our monthly board meetings. Don't sit on the sidelines if you have ideas and skills that can improve this post.

In December of this year we will celebrate the 35th anniversary of our post. As stated, in our charter, the mission of a VFW Post is to assist, support and advocate for the families and veterans of our community. This is the primary obligation of this post and we will always strive to successfully accomplish this mission every year. But, as we all know, it is not an easy goal to achieve year after year. Without a viable and active post membership, served by trusted and capable officers, it is not possible for the veterans of this community to receive the support and assistance that they so rightly deserve. I am proud to say that VFW Post 7201 has successfully accomplished its mission and made a real impact on the lives of veterans and their families in Marion in 2018. But we did not do it alone. All the organizations affiliated with this post have pulled together as one team and have a share in our success. The post has been able to support the community because the veterans of this community have supported this post. Thank you all for your participation.

Fall is here and the holidays are soon upon us. Please come out and support our Auxiliary as they celebrate Halloween and Christmas with the children of our community.

Visit our www.vfw7201.com webpage and Stephen J Chaney VFW Facebook page to confirm current Post hours, upcoming events and special dinner menu nights.

Post Commander, Orrin H. Bowman
