Let us plan a nice Pittsburgh experience for your group!

## A fun Day in Pittsburgh!

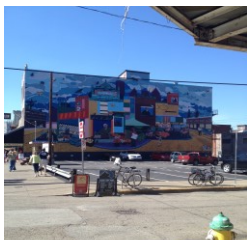

One of my favorite places to tour is the **Pittsburgh area**. I have always been fascinated by the historic buildings and their architectural design that seems to reflect the prominent merchants, financiers and industrialists of the late 1800's. Some of the most beautiful architecture designs can be found in Pittsburgh churches. One in particular is the Calvary Methodist Church, which was one of the most elegantly appointed places of worship in the world in 1895. Louise Comfort Tiffany created the beautiful stained glass windows that utilize the natural sunlight to enhance each window design, created to depict stories in the Bible. This incredibly beautiful French Gothic structure made of the world best materials and craftsmen is truly a piece of history worth seeing. Join us on one of our **TIFFANY CONCERT SERIES TOURS**
