Farmington Gymnastics Center has just celebrated its 1 year Anniversary and I am proud to say it was an incredible year. We have had over 600 families walk through our doors with their children, all excited to learn the sport of gymnastics. Each session, our regular classes filled up quickly and based on feedback we received, we added both Adaptive Classes and a more targeted Tumble for Dancers. In addition to our daily classes, we are proudly represented at the competitive level of gymnastics as well. We have 30 girls that compete at the MAGA level of competition. Being part of the competitive environment, gives us the opportunity to host home meets where we host over 100 gymnasts at each meet with their families all in attendance.

Last year, we offered a few companies the opportunity to be sponsors of Farmington Gymnastics Center and we are proud to say that they have definitely reaped the benefits of this sponsorship. At this time, I would like to reach out to you and offer your company the opportunity to become a sponsor as well. There are a number of different levels of sponsorship and I am sure that we have one that will help you reach our vast number of people that come through our doors.

Please take a minute to review the attached Sponsorship Opportunities. If you have questions, please let me know and I would be happy to answer them for you. I would also like to invite you in to see our facility if you have not already done so.

I look forward to having the opportunity to partner with you.

Regards,

Lynn Bauman
Owner
Farmington Gymnastics Center
