COVID Precautions:

Due to safety concerns related to COVID-19, in order to safely hold our event, there will be several strict procedures added to the 2020 ATX Holiday Twirl Fest.

Failure to cooperate with these procedures by any twirling athlete or their accompanying parent will result in the athlete being disqualified from the competition with no refunds given, and both the athlete and parent being removed from the facility. Don't register if you cannot follow these procedures!

Only One Accompanying Adult Per Athlete.
No extra spectators will be allowed in the facility.

Only coaches listed on the registration form of a competing twirler will be allowed into the facility.

Masks must be worn at all times by every person in the facility. No health accommodations will be allowed. If you can't wear a mask, do not sign up for this event, or send a different adult with your competing athlete. Athletes will be allowed to remove their masks on the ready line and perform without their mask.

There will be no congregating in the foyer or on the ready lines, and distance guidelines must be followed in the bleachers. The bleachers will be taped off making every other row unavailable, and then seating sets of two will be designated every six feet.

Participants Attendance:

Attendees must recognize that by registering for the contest and entering the facility, they are assuming the risk involved with potential exposure to COVID-19. While the contest directors will uphold as many precautions as possible, attendees must understand that there is inherent risk with any activity that involves possible contact with other people.
