Milton Playground Planners Community Forum

June 7, 2016

Executive Board

Carolynn MacKay
Sarah Mabel-Skillin
Kelley Ballestracci

Purpose of this forum

- To share our progress with the community
- To gather information about who uses our playgrounds
- To answer questions about this project
- To ensure we are on the right track
- To give everyone a voice in this process

Goals of MPP

- Playgrounds that are safe, inclusive, challenging and fun
- Should build community, be accessible to all and meet the needs of the neighborhood
- Raise funds to meet the cost to achieve this: \$750,000

Shields Park

- Eliot Street
- has one infant swing, one fully supportive swing, two belt swings; one 2-12 structure; sandbox
- mulch surfacing
- adjacent gravel lot and ball fields

Mary C Lane

- Randolph Ave
- proximity to gravel parking & partially paved path, ball fields
- 5-12 structure, swings
- tire swing
- mulch surfacing

Kelly Field

- Brook Road, near Pierce middle school
- 5-12 structure, sandbox, 4 swings
- no parking or fully paved paths
- mulch surfacing

Andrews Park

- Belcher Circle in E. Milton
- 5-12 structure, sandbox, 4 swings, 2-5 ground-level play features
- adjacent to paved parking and fully paved path
- fully fenced in
- mulch surfacing

Shields Park

Equipment: \$94,685 / Surfacing: \$61,220

- 2-5 and 5-12 structure
- Climbing Structure
- Infant swings, belt swings, tire swing, seesaw

miltonplaygroundplanners

We are a 501c3 non-profit, tax exempt organization

Our mission

To enhance four of the existing town-owned playgrounds with the commonality that they are safe and accessible to children and families of all ages and abilities, including those with physical limitations.

How we'll achieve it

The Town of Milton does not have the financial resources to back this important mission; therefore MPP was created with the purpose of raising funds, community awareness and sponsorship of fundraising

Who benefits?

Everyone! The four playgrounds are all public space and open for use by the entire community. In turn, improvement of our community space is certain to be a selling point and benefit to our property value. All
