The purpose of this study is to illustrate that the 3 series of 4 *Blood Moon* Tetrads that alternated in the *Signs of Virgo* and *Pisces* turned 'blood' red on each occasion as they appeared 'astronomically' to be birthed out of the womb of *Virgo*. These had overtones of the *Great Wonder* of the Revelation 12 *Virgo Sign*. In that depiction, the Maiden is about to deliver the *Manchild* but is whisked-away to the Throne of YHVH as the Maiden is led to safety in the Wilderness for a time of 'laboring'. Out of all the 12 Signs of the *Mazzaroth* or the Zodiac, *Virgo* is the singular one that is feminine and 'delivers' as in birth, the planets that traverse its quadrant and within its 'womb' area as it is anthropomorphized. This study will illustrate the entire 3 set Tetrad series of the 4 consecutive *Blood Moons* that occurred on YHVH's Feast days of Passover and Sukkot. In the 12 *Blood Moon* series since 1949, what was amazing was that in 3 occurrences, 1 *Blood Moon* was 'birthed' out of *Virgo's* 'womb' as the eclipse was initiated.

The start of the 3 series of the 4 *Blood Moon* Tetrads series 1949-50, 1967-68, 2014-15 occurred almost 1 year after Israel's *Declaration of Independence* on May 14, 1948. This was exactly on the 333rd day. Was this prophetically significant? The other numerical factor is 500 days. This is the day count from the UN Partition Plan of November 29, 1947 to when the first Tetrad started on April 12, 1949. The numbers and where the *Blood Moon* occurred might substantiate this claim that witnessed the rebirth of Israel as the prophetic *Fig Tree*. What was amazing to consider was that the Moon turned 'blood' red as it crossed over the astronomical threshold or 'line' of the 'womb' of *Virgo*. This same 'birthing' of the *Blood Moon* by *Virgo* on the Feast of YHVH, Passover in particular occurred again in the 3rd *Blood Moon* of the 1967-68 Tetrad and the 1st *Blood Moon* of the 2014-15.

In all, every series of the 3 sets of Tetrads had the 1st and 3rd *Blood Moon* 'birthed' out of *Virgo*. What was amazing was that the Moon turned to 'blood' red as it approximated the Feast of Passover. Another unique observation was that for the 1st *Blood Moons* of the 1967-68 and the 2014-15 Tetrads, the planet *Mars* was also in *retrograde* within the 'womb' of *Virgo*. This would appear as if war was about to break loose. Indeed, a state of war did occur in the 1st 2 sets or series of Tetrad, both the 1949-50 and the 1967-68 ones saw war before and then during the Tetrad sequence. The question remains, is the *Tetrad Template Theory* viable in that it suggests based on the patterns that an 'after' event such as a war most likely will occur? Moreover, does the 707-day count related to the 1st event and Tetrad of 1949-50 give the segment of how long after the Tetrad of 2014-15 the 'event' that could be? Will it be prophetic and related to a war or conflict that will involve the 3rd Temple or have it come into play?

To reiterate, since 1949, these same astronomical 'birthings' of the *Blood Moon* by *Virgo* occurred on the Feast of YHVH, Passover. In particular they occurred again in the 3rd *Blood Moon* of the 1967-68 Tetrad and the 1st *Blood Moon* of the 2014-15. Every series of the 3 sets of Tetrads had the 1 *Blood Moon* 'birthed' out of *Virgo*. Thus what was amazing was that the Moon not only turned 'blood' red as it approximated the Feast of Passover but the lunar eclipse occurring in *Virgo* in each Tetrad series turned 'blood' red as it crossed over the astronomical threshold or 'line' of the 'womb' of *Virgo*. The following is the complete series of the 3 sets of 4 consecutive Blood Moon Tetrads.

A) Blood Moon Tetrad of 1949-50: WAR BEFORE

1. Passover	April	12	1949	Virgo	*Birthing of Blood Moon in Virgo
2. Sukkot	October	6	1949	Pisces	
3. Passover	April	2	1950	Virgo	
4. Sukkot	October	6	1950	Pisces	

B) Blood Moon Tetrad of 1967-68: WAR DURING

1. Passover	April	24	1967	Virgo	*Mars about to be 'birthed' = war
2. Sukkot	October	18	1967	Pisces	
3. Passover	April	12	1968	Virgo	*Birthing of Blood Moon in Virgo
4. Sukkot	October	6	1968	Pisces	

C) Blood Moon Tetrad of 2014-15: WAR AFTER?

1. Passover	April	14	2014	Virgo	*Birthing of Blood Moon in Virgo
2. Sukkot	October	8	2014	Pisces	
3. Passover	April	4	2015	Virgo	
4. Sukkot	September	28	2015	Pisces	

Many people believe that the modern birth of the State of Israel is the fulfilment of the *Parable of the Fig Tree* as interpreted by Jesus Christ Himself. Other dispute this claim and spiritualize who and what 'Israel' is today, many others believe it is replaced by the 'Church', the *Body of Christ*. Granted, theologically, there is a 'Spiritual Israel'. It is more as 'Catholic' is used to denote 'universal'. As such, if the modern State of Israel is not the prophetic fulfilment of the *Fig Tree*, then there are just too many prophetic nuances in terms of day-counts and astronomical synchronization of events to dismiss it. Such 'birthing' of the *Blood Moons* of the Tetrads on each occasion in *Virgo* echoes and foreshadows the *Great Sign of Virgo* with its 'birthing' in Revelation 12 of the *Manchild*.

To some, this is alluding to the possible Rapture of the *Bride of Christ*. To others it is the prior visionary accounts of Christ's 'story' in abbreviated fashion. Many believe the actual account of the Rapture of the *Bride of Christ* occurred chronologically in chapter 4. The *Great Sign of Virgo* is a sort of 'intermission' and synopsis of a prophetic account that appears to cast its prophetic shadow in the past, the present and the future. What did and does the 'birthing' of the *Blood Moons* of the Tetrad series since 1949 convey? Perhaps Christ is trying to emphatically drive the point that a 'birthing' process is currently occurring and/or needed in the Last Generation before His 2nd coming.

The Birthing Process

Jesus did say to the Teacher of Israel, Nicodemus, 'you must be born again'. Were these *Blood Moon* 'birthed' in *Virgo* a 'Prophetic Sign' that a birthing is about to occur? Of what? The Bride? Of Israel? Of the AntiChrist? Perhaps all of the above.

Nonetheless, to have 333 days exactly from Israel's 'birth' or 500 days or even 25,500 days out from the *UN Partition Plan* to coincide 'accidentally' to the *Great Sign of Virgo* that depicts the motif of Israel's birth and subsequent 'labor pains' is beyond reason to have it not be so.

It appeared that the triple Tetrad series had within its 'DNA' a hidden code of 'birthings' of the *Blood Moons*. This study only seeks to possibly associate such a motif of the 'birthing' process and link it up with the *Great Virgo Sign* of Revelation 12. It does appear that perhaps such were a countdown of this amazing astronomical event that centers on the personage of the Messiah, Christ Jesus on many prophetic levels.

A) Blood Moon 'birthed' within the Tetrad of 1949-50

1st Passover on **April 12, 1949** in *Virgo*

B) Blood Moon 'birthed' within the Tetrad of 1967-67

3rd Passover on **April 12, 1968** in *Virgo*

C) Blood Moon 'birthed' within the Tetrad of 2014-15

1st Passover on **April 14, 2014** in *Virgo*

As noted in previous studies, these 3 sets of 4 consecutive *Blood Moons* called a Tetrad occurred on Passover and Sukkot and are in an approximate *phi ratio* to each other. Amazingly, the expanse from the beginning of the 1949-50 Tetrad to the end of the 1967-68 Tetrad was 19 years. The expanse of time from the beginning of the 1967-68 Tetrad to the end of the 2014-15 Tetrad was approximately 48 years. This mirrors prophetically the 1,948 years since the 2nd Temple was destroyed in 70 AD. In turn this 70 numerical coefficient echoes the 70-year duration of the end of the Babylonian Captivity for Israel.

From **70 AD** (2nd Temple destroyed) + **1948** years = **2018**
2018 is the **70th** year anniversary of Israel's birth.

Could such an astronomical and maOhtimatical relationship 'mirror' the Temple being rebuilt?

The 'birthing' patterns perhaps are part of a countdown subject to that Tetrad in proximity that occurred before, during and thus will occur after the last *Blood Moon* of 2014-15 within 2 years. Also each Tetrad was subject to a restoration concerning the Covenant People of YHVH based on the *Olivet Discourse*. Before the Tetrad of 1949-50 the world saw the establishment of the State of Israel 'birthed' in a day. During the Tetrad of 1967-68, the Jews saw the recapture of Jerusalem to include the Temple Mount on which the Temples of YHVH stood. Thus this study does agree that the May 14, 1948 and the June 7, 1967 were prophetic and part of a 3 component countdown accented by the *Blood Moon* Tetrad Template. It was in 1947 that the UN passed the resolution to partition the land and carved-out a nation for the Jews and Muslims.

The partition also included a State for the Muslims, which they rejected it as they wanted all the Land and to have no nation-state for the Jewish people. Concerning the Fig Tree Generation, from the year 1947, the Jewish people will see the 70th anniversary also in 2017-18 or 5777-5778; specifically, from the 1948 Declaration of Independence will encompass the year 2017-18. Perhaps the end of *Tetrad Template* will start the completion also of the *70 Weeks of Years* concerning Daniel's prophecy for 'His People'. It echoes the 70 years of captivity to have been completed in Babylon and the year the 2nd Temple was destroyed. Will one see a mirrored reversal of the prophetic template as the 3rd Temple is 'completed' and the Jewish Nation on the brink of being 'destroyed'?

The total span of time of this Tetrad Template from 1949 to 2015 was exactly 66 years, 5 months, 16 days. It was from April 12, 1949 to September 28, 2015 which equals also 24,275 days. The average length of time for each set of 4 *Blood Moons* was approximately 18 months or a 6-6-6 code. To surmise, what made these Tetrads unique is that the lunar eclipses not only occurred on the Feast Days of YHVH, those being Passover and Sukkot but they also alternated in the Signs of the Cosmos, *Virgo* and *Pisces*. These 2 *Signs* are the most profound in terms of Eschatology and prophetic motifs representing the *Bride of Christ* and the *Church Age Royal Commission* to be 'Fishers of Men'.

Did the 3-fold Tetrad series signal the end of the *Church Age* and the soon coming 3rd Temple thereafter that will involve a similar time of war as it was in the prior 2 sets of Tetrads? Did the 'birthing' of the Passover *Blood Moon* of the 3 Tetrads in *Virgo* echo the *Great Sign of Virgo* in 2017 what appears to synchronize with the 70-year anniversary of Israel's UN Partition Plan and subsequent 50-year Jubilee of the liberation of the Temple Mount? Did such a Tetrad Template signal the accuracy of Jesus' Last Fig Tree Generation to fulfill the prophecy of Daniel? It does appear to be the case.
