General Meeting Minutes

June 11, 2020

- We plan on starting a 2nd level Jr program to prepare the kids for a competition.
- We will need everyone to participate in these programs including the RSO's.

Communications: None.

Bills: None

Unfinished Business:

- Dan Charles stated the garage floor is going to be cemented so we will be emptying the room on Saturday.
- Tony McClure stated that members are using the range and not signing in. You MUST sign in; if you get hurt and no one knows your at the club, the club will not take that responsibility.
- Tony McClure also brought up target stands. Dan Charles has been making them and they keep getting shot up. We are not going to keep making them when people are destroying them. When the grass is getting cut, Dan Grey has to keep getting off the mower to pick up all the debris. Tony asked the members to take responsibility for your club. Dom Tarzia suggested putting camera's down there. Dan Charles stated the bylaws are on our website and the range rules are at the end.
- Tony McClure reminded the members that you can reduce your membership cost by coming to the work day. Not just the one Saturday a month but you can come down and work on the ranges, clean up, etc. and it counts for your points. Tom Yost briefly explained how the point system works for reduced dues; 1 point for each meeting and 3 for a work day.

Bylaw Changes:

- Daisy Stone completed the first reading of the bylaw change submitted by the Board of Directors. This change included: Adding page numbers to all pages, Adding a Table of Contents prior to Article 1, Adding that Officers and BOD are Voting Members but are not required to pay dues (Article 4), Removing the No Guests section and adding wording and rules to permit guests (Article 4), Adding that the Executive Board and BOD do not pay dues (Article 6), setting a limit the BOD can donate to not exceed \$200.00 and designating whom is on the financial accounts (Article 9). These changes will be voted on in July. Dave McMullen commented that the Officers are doing a great job, especially Cal as Treasurer but he does not agree with the BOD no paying dues. Sam Piccinini responded that he put 25 years or more at the Beaver Valley club and the hardest part is finding officers. Mike Sabot stated he has been involved in multiple organizations and it is incredible hard to find people to serve on boards. Bill Cress asked what the distinguishing thing between guests and his family members. It was explained that his daughter is a family member and all memberships are family members.

New Business: None

Remarks:

- Dan Charles stated there is a work day on Saturday, we need to fix the ditch, clean the garage, build skids and move the shed to the handgun range. The Corner Scoop is closed, possibly permanently, so we will meet at 9:00 AM and discuss breakfast plans for the months following.
- Andy Theodore asked if there was a policy on shooting during hunting season. A brief discussion took place and shooting is permitted during hunting season. He also suggested using wire spools for targets.
- Dan Charles mentioned that all bids have been received for the Timber and we have 789 trees to be harvested. The BOD will meet Thursday or Friday to decide which bid to accept. You will not be able to shoot when they are here. They will not be leaving the tops everywhere and are only cutting mature trees or nuisance trees.
- Tony McClure stated that once all the trees are down, we will be working on the combat range.
- Dom Tarzia suggested buying steel targets.
- Don Spearing said you can buy ADP stands in bulk at a reasonable cost and use furring strips. When we redo the backstops, we plan to put railroad ties for the stands to be placed behind so they are not shot up so quickly.
- Dennis Majzlik commented that the people who are shooting the stands probably do not bother to come to the meetings.
- Dan Charles mentioned he found 10 308 cartridges around the lake.
- Al Bialik mentioned that the election signs work well as target.

Adjournment: Meeting was adjourned at 7:20 PM.
