

Vision

**Protection of Lives and Property
With Honor, Integrity and Pride**

Mission

Doing the Right Things at The Right Times for The Right Reasons

Goals

Support provision of high quality Emergency Services including:

Skilled fire protection and suppression capabilities

Proficient medical response capabilities

Effective extrication, traffic control and hazmat response for vehicle accidents

Collaborative support for all county, state and federal emergency response agencies

Integral partner in assisting medics and transport responders

Active fire safety and awareness through fire inspections and public education

Lasting impact on our community
