

Matted Pet Release Form

Because we care about your pet's safety and well being, we want to assure you that every effort will be made to make your pet's visit as pleasant as possible.

Because your pet is severely tangled or matted, it is at greater risk of injury, stress and trauma. All precautions will be taken. However problems occasionally arise, during or after grooming such as nicks, clipper irritation and physical or mental stress.

In the best interest of your pet we request your permission to obtain immediate veterinary treatment should it become necessary.

I hereby grant permission to California Groomin' to obtain emergency veterinary treatment for my pet at my expense. Also, realizing that matted pets have a greater chance of injury during grooming I will not hold California Groomin responsible for accident or injury to my pet.
