MEETING MINUTES FROM JUNE

The River City Cruisers Car Club meeting was held at the Hermann Library on June 26, 2023 with 15 members present. The meeting was called to order by President Doug Smith. The meeting minutes from May were read and Lynn Mead reported a balance of \$5079.96.

Doug Smith got insurance quotes from American Family and American National (both local businesses) and were each close to \$400. However, American Family was for a full year and American National was for one day only. John Mead got a quote from Hagerty and it was \$350 for a year. There was some discussion and John Mead made a motion to go with Hagerty insurance and the motion died with no one seconding. Debbie Smith motioned to go with American Family to support local and Matt Puchta seconded it.

The bench idea for the Hermann police officers was discussed. John Mead found some plaques, one 3x8 for \$109 + shipping and one 8x12 for \$323 + shipping. We could go with the smaller one to put on a bench or go with the bigger one to put on display in a public location. There are a couple of benches outside the Historical Society with no plaques, but we need to find out if those were donated by another organization. Debbie Smith is going to inquire. The flag pole idea was discussed again and the price is similar to the bench/plaque idea and there would be some maintenance so it was dropped. The discussion was tabled.

New Business:

Lynn Mead has a listing of radio stations and websites that we can advertise our cruise in for no cost. She is going to contact them. She is also going to contact the DJ from last year and book if he is available.

Start approaching sponsors (\$50 and they get to pick their favorite car).

The Hermann fireworks display and parade will be on July 3rd. The parade will start at 6:00, with line up at 5:30 at the regular starting point of the elementary school.

Jim & Ginny Bond will once again host their Bondfire on July 8th. You can arrive anytime after 1:00, eat around 5 or 6. Bring a side dish and lawn chairs.
