

Veterans of Foreign Wars Auxiliary
Department of Wisconsin
Hospital Bulletin October 2018

- ◆ **Hospital Program Annual Donation** of \$2.00 per member is now due, if you have sent in your donation thank you for supporting our Hospital Program. Funds raised are used for the donation made at the official visit to each facility by our Department President and Department Hospital Chairman. It also funds the expenses of our Hospital Representatives and Deputies on their many visits to their VA Medical Center or Wisconsin Veterans Homes.
- ◆ The **Hospital Project** Funds are used for all special occasions throughout the year for our Veterans and their families and special projects that our Reps and Deps have at their facilities.
 - * October— Halloween
 - * November—Veterans Day, Salute To Veterans, Thanksgiving
 - * December—Hanukkah, Christmas, New Year's Eve
 - * January—New Year's Day

Just to name a few of the many celebrations held at the facilities. Would your Auxiliary make a special donation to Hospital Projects so the 8 facilities can continue to have these special days?

In your 2018-2019 roster the names of Reps and Deps are listed please contact them if your auxiliary would like more information or if you would like to volunteer for a special event.

If you can't volunteer at a VA Medical Center or Veterans Home, there are many different facilities in your community to volunteer your time and talent. Also include youth group volunteers with your Auxiliary to make cards and gifts for VA facilities.

Please watch for a bulletin about a special donation/collection at the Mid-Winter Conference, as always if you have any questions about the Hospital Program please contact me.

Thank you for all you do and all you continue to do for our Veterans and their families.
