Registration/Race/Additional Information:

THIS EVENT IS NOT OPEN TO ALL RIDERS! You must have qualified, or attempted to qualify (alternate), through a 2018 North Central Area Qualifier in order to practice or enter this race. **NO EXCEPTIONS.**

DO NOT FORGET TO PRE-ENTER THROUGH MX SPORTS!

Even if you finished in the top 8 in the North Central Area Qualifier you MUST pre-register through MX Sports by the deadline, June 15th to guarantee your spot in this Youth Regional! *NOTE MX Sports fees are in addition to the practice and race fees paid at Sunset Ridge MX.

Transponders are required for this event. Make sure you get a transponder from the Laptimes USA trailer BEFORE you come to registration!

This is a 2-day, 3 moto format race event. ALL classes race both days

Alternates should register and practice! Alternates will be placed at 8:00 Saturday morning when registration is closed. If you do not get to race your paid race fees and transponder fees will be refunded. We will call alternates to registration as they are placed. Alternate riders are placed according to the performance value set by MX Sports. The more racers you beat at the Area Qualifier, the higher your performance value. All racing is on the big track, including the 50cc classes. Classes *19 and *20 will run a shortened version of the track.

Race order will be finalized once registration closes on Saturday. We will announce when they are ready. Printed copies will be available at rider registration.
