CIRCUIT FAREWELLS

The following details of Circuit events to say farewell to those leaving the Circuit are in addition to any celebrations arranged locally. Details of what is planned for Upminster will follow in due course.

As you will be aware, the circuit holds an annual barbecue in July each year. After everything was cancelled in 2020 due to the pandemic, I am delighted to say that we are holding the barbecue this year on 11 July at CMOP, starting at 4.30pm. In addition, during the last year, several people have stepped down from roles and others will be leaving us this Summer. We have been unable to hold any sort of thank you service or event for them and would like to put this right by holding a farewell and thank you service on 18 July. This will be held at Harold Wood MC at 4.30pm followed by refreshments.

There has been a lot of debate about whether or not it was sensible to hold two events so close together and if it would be better to combine the two. In the end we have decided to keep the events separate. The main reason for this is the continuing uncertainty caused by the Corona virus. Everything we are planning still depends on the continuing role out of the Government's road map to reducing restrictions. Although we are hopeful that all will go well and that by 21 June all restrictions will be lifted, we are aware of the medical and central Methodist advice on not rushing into holding large gatherings.

We have had as many as 80 people at the barbecue and this might be increased by another 50 for those attending the farewell service. After much thought we have agreed to limit the attendance at both events to 50 to 60 people. Priority for the service will be given to those for whom the thank you service is being held and their families but otherwise tickets will be allocated on a first come basis. The last date to book a ticket for either event will be 4 July to allow the necessary provisions to be purchased. If anyone attending the barbecue requires vegetarian food would they please let us know when booking their ticket. Tickets can be booked by e-mailing gowletts@ntlworld.com or telephoning on 01708 508320.
