Company: Notary Public US NNA certified, E&O Insured, Bonded, Background cleared Loan Signing Notary available 24/7. But I am aware of the importance of doing a perfect signing. By being a real estate agent and previously a loan servicing specialist, I am familiar with mortgage documents in order to direct the signers to the proper location or the attorney in charge of closing that will answer their questions. I walk borrowers through all of the loan documents and point them out where to sign. -When working with me, borrowers and signers feel comfortable -I am knowledgeable with the Closing Disclosures, Note, Deed of Trust, Right of Recession etc. -I understand that you need signed and notarized loan documents back immediately -I will drop-off documents after signing is completed or the first thing in the next morning – I am also trained to ‘Package’ signed documents. Please see my availability at my online calendar at <http://www.notarypublic.uscall/text> or email me -I serve all three counties of Delaware- New Castle, Kent, and Sussex, including the cities of Wilmington, New Castle, Middletown, Newark, Smyrna, Dover, Seaford, Georgetown, Bear and the Delaware Beaches. I am not an attorney so I never give advice or explain documents, assist in drafting, prepare, complete a document and provide legal advice to anyone, especially my clients.
