The total amount FL-505 will be submitting to HUD for FY21 is \$742,821 and includes all projects in Tier 1 and 2, CoC Bonus, and CoC Planning Project.

**Projects not included in the submission to HUD:**

**Catholic Charities PSH Renewal** 40/100, 48/100, and 44/100 avg=44/100

Catholic Charities PSH Renewal 44/100. The project's previous performance, cost-effectiveness, low utilization rate, and other data elements brought down the score. The Grant Review Committee rejected this project because the application was incomplete and did not include match letter or complete budget, low performance, and the project description did not describe the strategies in the Detailed Instructions and in the scoring tools provided by HHA.

The CoC Board of Directors reviewed the Grant Review Committee's recommendations on October 26, 2021. The BOD approved the recommendations and ranking of projects. On October 29, 2021 HHA posted the rankings to the website. All applicants were notified of their acceptance or rejection in writing outside of ESNAPS on November 1, 2021. The notice included their score, project ranking if accepted, and reasons for rejection if applicable.

Ranking these projects was a difficult process and we appreciate the amount of time and effort invested by the applicants to ensure that the Continuum of Care continues to address HUD's funding priorities while meeting the needs of the community. Any questions or concerns regarding this ranking should be forwarded to Sarah Yelverton, Executive Director, at [Sarah@hhalliance.org](mailto:Sarah@hhalliance.org).
