Vista High School Regimental Band and Pageantry Corps Program Cost and Pledge Information

Dear Parents, Band/Pageantry Members:

Thank you once again for supporting your student in their decision to be a part of this award-winning program! Each of us understands the reality that school districts are not funding this type of activity for our students. Each year, the cost of our program goes up, and the District's ability to provide funding goes down. This transfers the financial burden to the students and support organizations like the Vista High School Regimental Band Boosters.

As the parent/guardian of a Vista High School Regimental Band and Pageantry Corps member, YOU are a Booster!

As Boosters, our mission is to assist the Band and Pageantry not only with volunteering, but also with financial support. But the approximate cost to fund the yearly program is approximately \$150,000 - and the Boosters cannot do this through our fundraising efforts alone.

In order for this amazing program to continue, we are counting on every Booster and student to do their part and help with fundraising. For over 35 years, the commitment of band members and parents has made this program available for our students. We ask that you carry on this proud tradition and commitment to excellence!

- Approximate cost of fall program per student: \$1269.00
- Requested pledge per student: \$475 plus \$125 transportation = \$600 (additional siblings \$525)
- Optional Winter Guard and Winter Drum line program = \$200 (plus possible portion of costume amount)
- Expected 2019 -2020 program costs: \$150,000

If you want to know "where the money goes," please attend our monthly Booster meetings and stay up-to-date on the details. You'll see that the funds are carefully used to provide our Band and Pageantry students with a high-quality, educational experience. The majority of the expenses come in the fall marching season to pay for coaches, transportation, music and drill. Students will spend approximately 300 hours over the fall semester on rehearsals, football game performances, and tournaments. Your pledge comes out to about \$2 an hour toward your student's training. But here is the real return on investment - at the conclusion of this program, our students know for a fact that they can do anything when they commit, work hard, and leave no one behind. This is truly an investment in their future!

Your personal commitment of \$600 and participation in fundraising are essential to insure that the Vista High School Regimental Band and Pageantry Corps program will continue to foster the highest possible level of performance. Please email fundraising@vistaband.org with any questions or ideas about fundraising options.

Below is a suggested pledge schedule (please pick one). You can visit www.vistaband.org and pay via PayPal with whatever payment plan that works best for you.

I choose to fulfill my pledge amount in the following manner:

- Option 1 - Full pledge at time of the Debut Concert
- Option 2 - 4 separate payments; of 2 for \$100 and 2 for \$200
- 1) \$100 at Parent Orientation/Registration,
 - 2) \$100 at Debut Concert, Friday, August 16th
 - 3) \$200 at Rehearse-a-thon, Saturday, September 14th
 - 4) \$200 Final installment due, Saturday, October 18th
- Option 3 - Set up a PayPal automatic payment plan at vistaband.org

Please understand that the \$600 pledge is for the fall program. We anticipate Winter Guard and Winter Drumline programs to be an additional \$200 by February 1, 2020.

Activity Permission Slip and Image Likeness Release

(To the Parent)

I hereby give permission for my son or daughter to participate in Instrumental Music Department activities throughout the 2019-20 school year. It is my understanding that the grade earned in either Band or Pageantry Corps is based upon attitude and participation, daily attendance, attendance at performances, performances test, and written tests. I am aware that the performances amount to an examination of the material covered in rehearsals.

(Student Name) _____ has my permission to attend any Principal-approved Instrumental Music Department activities. My son or daughter will be notified of all performances at least two weeks prior to performing whenever possible. I understand that if my son or daughter cannot attend an out-of-class activity, I must provide the Band Director with a written note at least one week in advance of the activity in order to be excused, and I further understand that the absence may still result in a loss of credit for the activity.

In the event that the activity requires the student to travel, it is agreed that my son or daughter will ride district provided transportation to and from the event, and that the school will maintain every reasonable caution for the trip. I am also aware that detailed itineraries will be distributed prior to each event. If my son or daughter misses the group departure, I will make every effort to get them to their designated destination so that they may perform as planned.

Finally, I approve of the use of my son or daughter's photo likeness to be used for promotional purpose on the Internet, and/or in the print and television media.
