# Mother's Day Monday

The Strauss Chiropractic Center is inviting all Moms to come and receive a special gift on what we call Mother's Day Monday (May 13th).

If you're a Mom and you and your family are already under chiropractic care, consider this our way of thanking you for being involved in this important family decision. If you are a Mom whose husband and/or family are currently under care but you are not-- why not take this opportunity to learn more about what your loved ones have been talking about.

Remember everyone is better off with a nerve system that is free of interference.

Thank you to all our Moms, Grandmoms, Godmoms, and Step-moms, for all you do and all the love you give. You make the world a better place in which to live. Happy Mother's Day!
