

Sentinel

Shire is where the heart is, HOME !

Being secure, feeling secure is a main consideration when moving to a large community like a, '**SHIRE**'! A Custodian Guardian Shire has a, 'Sentinel community service'(Scs)! Sentinel: patrol, guard, guide, help, report, train, enforce Shire regulations. For breaches of, 'Law' they partner with, 'PMRs (Provincial, Marshall, Ranger services).

Sentinel is a career path for HE and SHE. It's based on the custodian guardian Apprenticeship career path template: Apprenticeship > work experience > further studies > promotion by seniority > work experience > further studies > promotion by seniority > work.....

Sentinel decide how many, 'Neighborhood Watch Community' (NWC) a Shire needs. They administer, train, guide every, NWC. A NWC volunteer is a community expectation! Live up to community expectation.

Every Custodian Guardian community is a 'Neighborhood Watch Community' supporting local Law Enforcement. Observing, recording, reporting, assisting Sheriff! May have to make civilian arrests. It's your community keep it safe for your family,...

Note! When their is a Disaster, war,.. NWC is integrated into, 'PDEc (Provincial Defense and Emergency center).

Sentinel Creed:

A Sentinel is rather risking their life for their community than kill a member of the community.

Sentinel is a Shire employee in the Sheriffs department. Sentinel training takes place 1 day a week at a 'PDEc' (Provincial Defense Emergency center).

Note! All larger Shire have 1 or more 'PDEc'.

Sentinel 1 day a week training at the 'PDEc': 1 day Training starts at 1 hour after Sunrise and ends 1 hour before Sunset with 3 breaks: Early day snack, Lunch, Late day snack. Training consists of 7 topics:

1. Arrest technique, Report writing 2. Baton technique, crowd control 3. Community health, pollution 4. Marching, body maintenance 5. Sentinel First Aid 6. Unarmed defense 7. Stun Weapons use.

It is mandatory for every Shire employee to attend 1 day a week Sentinel training at the 'PDEc'. Until their retirement. An employee may be exempted (disability, health) from 1 or more topics.

Sentinel Duties: Sentinel handle low to middle risk guard and patrol duties. Guarding is single (1) duty. Patrol is partnered (2) duty. Crowd control involves more than 2. 'Sheriff Lawyer pool' supplies all office and legal staff to create, implement and enforce Shire regulations.

On duty or off duty a Sentinel will report any anti social behavior (crimes, pollution, vandalism) and report any visible community health and safety issues. Sentinel will arrest for perceived broken breaches and perceived committed crimes. Then call his station for a patrol to pick up the arrested. When not on guard or patrol the Sheriff may designate other duties.

Sentinel outfit: Sentinel wears a gray colored camouflaged coverall with separate belt, gloves and fireman boots. The helmet has a transition visor, a microphone and video camera. Hanging from the belt is a baton, stun gun and handcuff straps.

In a Shire emergency every 'Sentinel Certificate' holder can be called on to duty as Sentinel.

After charges are laid: The Sheriff (**Shire**) sets a date (**30 days later**) when the charges are heard at 'Chambers'. The Sheriff then selects from the pool of Lawyers, 5. 1 will act as Magistrate, 1 as Accuser, 1 as Guide, 1 as clerk and 1 as Procurer.

The purpose of Courts is to establish 'Guilt' or 'Absence of Guilt' for alleged breaches of Rules (**Provincial Law**) or Regulations (**Shire Law**) A tool used to establish, if there were breaches, is to establish 'Truth'. Truth is found by collusion not adversarial.

Note! Unjust, corrupt adversarial Court-system is replaced by:
'Just' Fair, colluding Court system which establishes TRUTH !

When things or events happen Justice is to establish T R U T H :

What happened ?

What caused the happening ?

Was human ignorance involved ?

Was human negligence involved ?

Was human evil involved ?

How to give justice through compensation and rehabilitation.

What lessons can be learned from this happening ?

SH-C : 'Shire Hearing-Chamber' tries Cases that if 'Guilt' is established 'MS R' is served in Shire Rehabilitation.

There are 5 Court officials, Magistrate, Accuser, Guide, Clerk and Procurer. Magistrate, Accuser and Guide collude (**work together**) to find 'Truth' and establish 'Guilt' or 'Absence of Guilt'. The Clerk compiles all evidence. Procurer secures court, sets up evidence displays, ensures 'Accused' and witnesses appear.

After 'Truth' is found Victims make a Statement which includes compensation request. The Magistrate then retires for 1/2 hour to prepare Justice, 'Verdict' and 'Compensation'. Appeals by Accused (**Verdict**) and Victims (**Compensation**) need to be lodged within 3 weeks. Appeals are held at the same Court. But different Magistrate.
