Speaking Topics

Taming the Imposter Monster

Participants will gain tools to increase innovation and decrease procrastination by learning about “Imposter Experience” and how to combat it. We will look at the hidden ways it can show up in our professional lives, the research behind this phenomenon and three practical techniques for banishing it.

Genuine, Ethical, and Booked Solid!

Participants will learn a 5 step process for marketing therapy and healing practices, or other service-based businesses without wasting effort or being sleazy and unethical.

Stepping Into The Spotlight: Being Genuine and Being Seen

This talk will subject matter experts gain insight into how they can more easily and authentically represent their organizations without becoming overwhelmed or feeling fake.

Bio

Mari helps women leaders and small business innovators create more impact with less stress.

She has been an entrepreneur for over 30 years, owned four successful businesses of her own and individually supported 1000s of other entrepreneurs and leaders to access their brilliance through her small business coaching and public speaking training company, which founded in 2000.
