1GOD's latest message the Law-Giver Manifest

1FAITH 1Church Universe Custodian Guardians

FIFA is the international governing body of football (*soccer*). FIFA supply Human Circus entertainment. A Culture of the **Chain of Evil**.

FIFA World Cups' are Government supported mass entertainment for the non struggling population. Entertainment consists of 2 teams of immature adults chasing a ball. Games are elitist, each World Cup has a winning team of high performance players & many losing teams'. Winners become false idols (*Glitz-Media Celebrities*). Losers are abused.

FIFA after bribes, corruption, deceit, vote-rigging,... Decides every 4 years which country gets to hold the World Cup. Members bribe each other with millions in currency. They ask their Government for behind the scenes help. Corrupt, dishonest, rigged,...

Only Tyrannies & rich Nations can afford to supply infrastructure for the World Cup. These Games need purpose build facilities & infrastructure, wasting community resources & creating long-term community debt. These Facilities are Energy wasters & Polluters. These Facilities are under used & high in maintenance costs. Stop building these Facilities.

Purpose of Games is Marketing catering to Addictions: Alcohol, Gambling, Shopping, Smoking, Fast-Food, Gadgets... Gambling, drug abuse & selfish elitist Athletes lead to cheating, corruption, crime...

Profiteering Sponsors of Games & elitist Players (*performance-freaks*) & Nationalism drive the World Cup. Nations spend a fortune to create high performance-teams. The FIFA World Cup is corrupt entertainment for the non-struggling to benefit parasitic profiteers & a waste of a nations wealth.

Brazil's Government altert its laws (*after kickbacks?*) concerning Alcohol to please FIFA. This corrupt Government betrayed its people by exposing them to the Alcohol plaque. Brazilians are to hold every member of this immoral Government accountable (*non-violent*).

Reports by investigative journalists have alleged bribery, corruption, vote-rigging at all levels of the FIFA organization. The US has charged FIFA officials with money laundering, racketeering, wire-fraud,... The Swiss are also investigating FIFA.

It is obvious that the World Cups to be held in 2018(*Russia*) & 2022(*Qatar*) were awarded fraudulent. The World Cup is to be cancelled.

Qatar has a 1000 deaths sofar preparing for the World Cup. The Bloodiest World Cup ever. Any player, spectator, Tv viewer watching would in 1GOD's eyes have moral blood on their hands & would be held accountable.
