What is the Bible Marathon?

- Think of the Bible Marathon as an expression of our unity as believers.....
- A baby step for people growing in their faith, venturing outside the building...
- Think of it as conquering... not with strength, nor power or might, but by God's Spirit!
- See it as scattering God's words like seeds out over a fertile field..
- Think of the Bible Marathon as a family holiday that we celebrate like Thanksgiving!
- See it as obedience, worship, prayer and a loving example for our kids and the lost...
- See the Bible Marathon as and a reminder of who we are... people of the book.
- Think of the Bible Marathon as an encouragement to read the Bible every day!
- Consider the Bible Marathon as the Bible kicked to the curb making its last stand in the streets as it has been banned from schools and Government buildings.
- Think of the Bible Marathon as Spiritual Warfare with the full armor of God!
- See the Bible Marathon as truth expressed: a bright lamp that everybody can see!
- Imagine the Bible Marathon as "A City on a Hill" or The Zion in the Wilderness that the Puritans dreamed of establishing when they landed in 1630.
- Perhaps that dream... like God... is NOT DEAD!..... and can still be realized!
- What do you believe? How do you see it? What is the Bible Marathon?
- Is it something you want to be part of?
- Is God done with America?
- Is God done with you?
