

WASHINGTON AVENUE COALITION / MEMORIAL PARK SUPER NEIGHBORHOOD 22 -- AGENDA

I. Call to Order

II. Introductions

III. Review of Amendments to Chapter 26, parking rules

Amendments to Chapter 26 are under review by the Planning Commission. The changes are to correct a typo, clarify bike rack standards and allow for admin flexibility already found in other sections of the code. A speaker was requested to appear at this meeting to review these amendments, but the request was declined, saying that a speaker is already promised to make the same remarks before the September 12th meeting of Superneighborhood Alliance. With help from those who attend the SNA meeting, we will review those remarks and discuss the implications to parking within the Washington Avenue Coalition.

IV. Approval of Minutes from August, 2016
