

Bart Petterle has been an El Dorado County resident since 1996, and a member of the El Dorado Gun Club (EDGC) for over 10 years. While he makes his living in the software and technology business, he finds time to pursue his love of competitive Trap Shooting "up the hill" at the EDGC Trap range.

He has been a volunteer there for the past two years, setting up the range, acting as RSO most Sundays and helping out with the many other chores that keep the range open for all to enjoy.

Bart lives in Shingle Springs with his wife Gina and daughter Faith, with his two older sons living in the area. He considers himself blessed with family and great friends and feels the EDGC is a great asset to the community and needs to be protected and preserved.

He is also grateful for those that have given their time and energy to build the club into what it is today and wants to "give back" in that tradition.
