C.I.A. (Congregations In Action) which is the Pack-A-Snack Program is asking for donations of school supplies for the upcoming school year for our local Elementary students.

The supplies most needed are: **glue sticks, dry erase markers, 3 prong plastic pocket folders, pencils, crayons, marble composition books and colored pencils.** Thank you for your valuable support of this service project. All donations must be received by **August 9** so they can be distributed before the start of school which is August 24. Donations can be left at the church, in assigned bins. Small group ministry coming this Fall, stay tuned!

As we head into the Fall, we have groups meeting to plan on future events for the church calendar. In August, the Back to Worship Task Force will meet to continue to

follow all updates on procedures & recommendations for safe habits for gathering. Also, the Worship Committee will be meeting to start planning on our services, times and how we will be worshipping together in the future. And Sunday School leaders are working hard to see what Sunday school will look like in the fall and beyond. Please pray for all these people as they work together to plan for us to come back in person to gather and worship.

Christ's Mini Communique

“I thank God for you—the God I serve with a clear conscience, just as my ancestors did. Night and day I constantly remember you in my prayers.” 2 Timothy 1:3

Danke , Merci, xie xie, epharisto, mahalo , SPASIBA, gracias, asante.

No matter what language you speak, it is important to give thanks for the people around us that work for the good of others. I want to thank all of you for your sharing of God's love to benefit those around you.

I especially thank the Adults who gave of their time and energy to be a part of the recent Youth Mission Trip in and around the Roanoke area to benefit many different concerns. We built Dog Houses to raise funds for Habitat for Humanity. We helped prepare the outside of the old church entrance and moved supplies inside to begin the elevator project and save the church thousands of dollars. And on our last day we participated in cleanup projects at Mill Mountain Zoo and remembered our Baptism with wild rain.

All this was supported and supervised by: Jim McCarthy, Debbie McCorkindale, Ed Mennuti, Amy Morgan, Brian Ricci, Chip Schuman, Josh Skole, Sue Vail and Carolyn Williams. I am also grateful for many of you who contributed funds and supplies to make the week a great success. The Youth had a great time, and we were able to share God's love with others in a tangible way.

See you at Church !
