Due to the nature of this request regarding events occurring in a specified area whose parameters are not system generated and for events occurring over an extensive period of time; please be advised that the results contained herein are approximate in relation to the requested area and are also reflective of departmental procedures that were in place at the time the event occurred. The information represents only police services where a report was made and does not include other calls for police service. Results displayed are not distinguished as attempted or completed crimes. Full statistical analysis to determine the confidence level of this data has not been performed. Police Incident Reports are classified by primary offense categories as defined by the Uniform Crime Reporting (UCR) system. Although every reasonable verification effort is made, the accuracy of any data is subject to the constraints of the report generation process as well as the manner, format, and point in time of any query.

Information contained herein is current as of 07/31/2015
