

## Lavender products available for the market pre-orders

I will be happy to send pics of a specific product. Please text my cell: 484-553-6889

1) **Hot / cold packs.** 2 sizes, these are simply invaluable, especially if you are feeling under the weather. Small size is great for sinuses(warm) and headaches(cold) Large size is great for neck, shoulders, amazing if you have a cough as the action of a hot pack on your chest is very soothing and let's you sleep.

They also smell amazing (organic wheat berries, lavender and a special herb blend) and the best part.....they have a washable cover!

Small- \$23, Large - \$43

2) If you have trouble sleeping I have a few **pillow inserts** left. Put them inside the pillow case on the bottom.....release scent every time you move.....stay relaxed.

\$20/each

3) **Bath salts**, these come in a nice size jar with a cute wooden scoop. Soak in the tub and get some soothing relief.

\$15/each

4) **Bath bombs**, soothing, fizzy fun. I have packs of 5 small bombs (lavender/geranium) or pack with one large bomb - lavender.

( can be easily cut into sections) \$12/each

5) **Body candles!** For your skin, not a house candle! These are simply the most wonderful thing I carry.....Please note...these can be used as body butter without lighting, but if you want the butter to be warm, by all means light for 5-7 min

and enjoy putting this exquisite, warm butter on your skin...just awesome and your room smells fantastic too!

3 flavors in stock: lavender, lavender/vanilla, lavender/currant \$23/each

6) **Lotion**....I have several different lotions to offer, they are all extremely moisturizing and range in price from \$10-19. text me what you think you need and I will make a suggestion.

I also have a cream that can be used for body or face - \$14/jar
